The...

Philharmonic Reeds used in **Estey Organs** must be heard in order to be fully appreciated.

ESTEY ORGANS

We have sold scores of these beautiful instruments, and we have yet to hear of one which has failed to give satisfaction. Because they are imported American instruments of the very highest grade, many would-be purchasers take it for granted that the retail prices must be beyond their means. This is a mistake as you will realize if you will take the trouble to write us for catalogues and prices.

We can supply

Excellent

New Estey Organs

for either Church or House use at prices ranging from \$70.00 upwards. Terms, \$10.00 cash and \$4.00 per month without interest.
