THE CATHOLICITY OF THE Presbyterian Church,
By Rev. Professor Campbell, M.A., Presbyterian College, Montreal.

It is well reasoned through out, contains passages of great eloquence, and proves its author to be a master in Ecclesiastical History. It is in the form of a neat little Pamphlet of thirty-two pages, being the first of a series of "Tracts on Presbyterian Topics" which the Publisher intends bringing to the world; and we must say that he has made a good beginning.—CANADA PRESBYTERIAN.

"Among good books for devotional or practical religious use we may mention with commendation 'Walks About Zion,' a series of brief interesting and practical addresses on religious topics."—New York Independent.

"Mr. Elliot is the master of a crisp and pure style. His reasoning is clearly expressed. He is a most impressive expounder of the Word of God."—Presbyterian Record.

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in his community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favorite, John Foster."—Presbyterian (Halifax) Witness.

"Clear in thought, correct in expression, and cogent in argument and appeal."—Halifax Chronicle.
