

PUBLISHER'S DEPARTMENT.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when the infant is cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relaxing the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

"A DROP OF JOY IN EVERY WORD." Dr. R. V. Pierce, Buffalo, N. Y.: Three months ago I was broken out with large ulcers and sores on my body, limbs and face. I procured Golden Medical Discovery and "Purgative Pills" and have taken six bottles, and to-day I am in good health, all those ugly ulcers having healed, and my skin in a natural, healthy condition. I thought at one time that I could not be cured. Although I can but poorly express my gratitude to you, yet there is a drop of joy in every word I write.

Yours truly, JAMES O. BELLIS, Flemington, N. J. "Discovery" sold by druggists.

"Among good books for devotional or practical religious use we may mention with commendation 'Walks About Zion,' a series of brief interesting and practical addresses on religious topics."—New York Independent.

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in this community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be rejoiced by these brief and terse discourses of our dear old favourite, John Foster."—Presbyterian (Halifax) Witness.
