

**FISH OILS.**—In Montreal steam refined is firm at 55c. in round quantities. Newfoundland cod is under slow enquiry and prices are nominal, quotations 36c. to 37c; cod liver oil quiet and dull, quotations unchanged at 45c. to 50c.

**FISH.**—The local fish market continues extremely dull without any change. No outside or home demand and no receipts of cured fish. Mackerel are reported to be off our shores in quite large quantities and of excellent quality. In length they would readily grade as No. 1's, but they are not as fat as they will be later in the season. It is unusually early for such fish as these to come along, and the fact proves the wisdom of the Act passed a few years ago by the C. 3. Congress prohibiting the taking along their shores or offering for sale of mackerel before the 1st June of each year. Comparatively few of these fish struck into our coves and bays. Most of them kept miles away from the shore and kept on their course to the eastward. Some of the American sealing vessels succeeded in intercepting portions of these shoals and made good hauls, and sailing at once for home met a bare hungry market which paid excellent prices readily. Says a Gloucester, Mass., despatch of the 6th: "The first arrival of the season at this port with mackerel was the schooner *Geneva Mertis* of this port, this morning, from the Nova Scotia coast, with 170 barrels of large mackerel. The arrival of this vessel caused much rejoicing among the fish dealers, as her trip was eagerly sought after, owing to the great scarcity of mackerel the past three years. Fourteen dollars a barrel, sea-packed, was offered for the trip, but her skipper refused it, and it is thought an advance will be made before they will be sold. Captain McLeod reports a large body of mackerel gone to the eastward, and thinks that later in the season there will be good fishing in the North Bay, when the fish get through spawning. Several other vessels have been reported taking good hauls off Canso, the traps at Maguolia and Scott Island, and the prospect for an early catch on this shore is not very favorable." Our Gloucester correspondent writing under date of the 10th says:—"We quote New Georges codfish at \$5 37 a qtl. for large, and small at \$4.75; Bink \$5 12 for large and \$4 50 for small; Shore \$5 25 and \$4 25 for large and small; cured cusk at \$3.50 per qtl.; hake, \$2.50; haddock, \$3; heavy salted pollock, \$2.00, and English-cured do. \$2.62 per qtl. Labrador herring \$5 00 bbl.; med. split \$4 50; Newfoundland do. \$5; Nova Scotia do. \$6; Eastport \$4; split shore \$4 25; round do. \$3.50; round Eastport \$3 25; pickled codfish \$7; haddock \$6; halibut heads \$3; sounds \$11; tongues and sounds \$9 50; tongues \$8.00; alewives \$4.00; trout \$14.50; California salmon \$15.00; Halifax do. \$23; Newfoundland do. \$16."

### BREADSTUFFS.

The balance of wheat in Canada is held by a few persons. The tone of the market is quiet, but the future must be higher, as we are a long way off from any new crop. A decided advance in the price of oats has forced up the price of oatmeal. Latest quotations from the mills quoted standard oatmeal at \$4.75 to \$4.80, and rolled \$4.85 to \$4.90, delivered Halifax. Thus you can see by our quotations that this market is considerably below the millers' market. Oats are very firm. We would not be surprised to see oats 60c. a bush. before harvest.
