## The Old Objections

to cod-liver oil—the taste, odor, eructations and oily diarrhœa—no longer hold good. The offensive and undesirable products of decomposition are eliminated.

# Scott's Emulsion

*“The Standard of the World”*

contains the purest Norwegian oil, emulsified, and entirely free from putrefactive alkaloids.

It is active; but not because of ptomaines dissolved in alcohol and aromatics.

Its therapeutic power rests in the pure oil, the hypophosphites, and glycerine, perfectly blended.

Two sizes, 50c. and \$1.00. In prescribing, please specify unbroken package. Small size put up especially for convenience in cases of children.

**SCOTT & BOWNE, TORONTO**
