A CATECHISM FOR INFANTS.—By Rev. J. Laing, Cobourg. Toronto: Adam, Stevenson, & Co. Sold also by other booksellers.

We have pleasure in noticing this Catechism for young children, from the pen of Mr. Laing. It is simple, intelligible, and Scriptural, and we regard it as a great improvement on some of the Catechisms for young children which have been long in use. It is a good preparation for the Shorter Catechism.
