

Armour's Nutrient Wine of Beef Peptone

Combines the stimulating action of sherry with the nutritive value of Peptone. Fresh beef artificially digested forms the basis of this elegant preparation. It is actually a *food*, and while useful in all cases of debility, is particularly indicated in conditions of extreme collapse, where prompt action is demanded.

DON'T YOU WANT THE BEST?

Within the month, the dullest of the year, Hazard, Hazard & Co., Fifth Avenue Hotel and Newport, have bought 24 dozen Ricksecker's 1-oz. perfumes, 12 dozen half-pint colognes, etc., etc. They sell very few other American Perfumes.

Look in the principal Drug Stores of New York, Boston, Chicago, etc., where competition is hardest why is it Ricksecker's goods undeniably lead?

We heard a man condemn his druggist because he sold him a bottle of ordinary perfume with his name on. He would not use it, nor would he or his wife trade again at that store. The druggist wonders why.

The druggist who lowers his standard from FINE goods to MEDIUM soon worries over dull business. His competitor who sticks to fine goods gets the trade.

Mr. Scott, of "Scott's Emulsion," asked a leading druggist of London, Eng., for a bottle of the best perfume made. The druggist handed out and sold him a bottle of Ricksecker's Golden Gate.

Mr. Bancroft, of Hudnut's "Herald" store, reported the same experience in a Dublin drug store. The Irish druggist remarked: "nothing finer made."

We refuse to sell dry goods stores. The methods for pushing Ricksecker's Perfumes are legitimate. We want you to know our goods. They invariably lead where known, even in Great Britain, Canada, etc.
