THE BATTLE FOR LIFE!
Which is continually going on betw health d
disease, has never received from any science a b
marked and unmistakable assistance, n the ide of
health, as it has from

BRISTOL'S SARSAPARILLA.
This powerful vegetable detergent has been fully
tested in nearly every part of the civilized world. It
has been tried in long-standing cases of
SOROFULA,

RHEUMATISM AND GOUT
it is infallible, curing cases that had resisted all other
treatment for nearly a lifetime allaying every phase
of inflammation, and leaving the joints in a natural
condition. In

OLD SORES
It is a sovereign remedy—causing new circulation of
the blood around the edges of the sore, and speedily
filling up and drawing together the flesh, which in
old sores is generally inert and lifeless. In

SORE EYES AND RUNNING EARS
the effect is truly wonderful. The serofulous and
depraved blood and humors on which such sores feed
and live, are neutralized at the stomach, the fountain-
head, and new and healthy blood soon washes away
every vestige of disease. In

ULCERS AND TUMORS
the effect is equally gratifying, although of course, it
is necessary to persevere for some months in diseases
such as those having their origin in bad blood and
humors; and in such diseases as

CANCER,
the Sarsaparilla should be continued for at least four
or five months after the trouble has to all appearance
been overcome, because, unless this is done, and the
nature of the blood and humors be entirely changed
throughout the whole body, the disease is liable to
return with unabated force. In

BOILS AND CARBUNCLES
the Sarsaparilla should be taken five or six times a
day, but not in very large doses say two or three
tablespoonfuls at a time. And in all of these diseases
we strongly urge the use of Bristol's Sugar-Coated
Pills in conjunction with the Sarsaparilla, taking
two or three pills every second night on retiring to
rest. In this way, cures will be more speedily ef-
fectuated

Ayer's
Hair Vigor,
For restoring Gray Hair to
its natural Vitality and Color.
A dressing which
is at once agreeable,
healthy, and effectual
for preserving the
hair. Faded or gray
hair is soon restored
to its original color
with the gloss and
freshness of youth.
Thin hair is thick-
ened, falling hair checked, and bald-
ness often, though not always, cured
by its use. Nothing can restore the
hair where the follicles are destroyed,
or the glands atrophied and decayed.
But such as remain can be saved for
usefulness by this application. Instead
of fouling the hair with a pasty sedi-
ment, it will keep it clean and vigorous.
Its occasional use will prevent the hair
from turning gray or falling off, and
consequently prevent baldness. Free
from those deleterious substances which
make some preparations dangerous and
injurious to the hair, the Vigor can
only benefit but not harm it. If wanted
merely for a
HAIR DRESSING,
nothing else can be found so desirable.
Containing neither oil nor dye, it does
not soil white cambric, and yet lasts
long on the hair, giving it a rich glossy
lustre and a grateful perfume.

A BOUQUET.
Exhale an exquisite fragrance, agreeable to the
most fastidious, but in the Florida Water of Murray
& Lanman it is not to these two floral beauties alone
that we are confined; in it we have the full fragrance
of a whole bouquet of blooming tropic flowers.

MOSS-ROSE AND JASMIN,
Exquisite in their odors, are yet poor by compar-
ison with the clouds of incense that arise from Mur-
ray & Lanman's Florida Water, so justly styled 'The
Queen of Floral Perfumes'
ORANGE FLOWERS AND HONEYBUCKLE,
Delightful in the pure delicacy of their sweet
breath, but faint and fading when compared with
the refreshing and strengthening perfume of Murray
& Lanman's Florida Water.
PRIMROSES AND HELIOTROPE,
Full of sweet perfume, and agreeable to many, but
void of those important hygienic properties which
make Murray Lanman's Florida Water so welcome
in a sick-room.
DAISIES AND BUTTERCUPS,
Nature's every day perfume, exhaling floral in-
cense familiar to us all, but from which we turn ag-
erly away to the more reuced, delicacy of fragrance
of Murray & Lanman's Florida Water.

LAVANDER AND MAGOLIAS,
Rich with heavy perfume, but not invigorating nor
refreshing, and so sweet that the senses of smell soon
cloy, and longs for the simple freshness of Murray
& Lanman's Florida Water
SWEET BRIER AND CLOVER BLOOM,
Bringing memories of country life, and exhaling a
perfume pure and delicate, but lacking uniformity
and permanence so marked a feature in Murray &
Lanman's Florida Water.
MIGNONETTE AND DAFFODILS,
Of poetic celebrity, sweet and pleasant in the per-
fume but still only the perfume of single flowers.
In Murray & Lanman's Florida Water we have the
combined fragrance of more than all these floral
beauties; We have the unapproachable richness of
the far-off tropic flowers made permanent, and giv-
ing justly to the exquisite Toilet-Water the title of
THE EVERLASTING PERFUME.
Purchasers should be careful to ask for the
Florida Water prepared by Lanman & Kemp, New
York, who are the sole proprietors of the genuine
perfume.
For Sale by all respectable Druggists, Perfumers,
and Fancy Goods Dealers,
