

As an ... Investment

We believe our 5% DEBENTURES to be one of the safest and surest that you could possibly enter into. It is safer than a Bank, because you have all of our Permanent Capital Stock, and the whole of our Assets, consisting of first mortgages on improved real estate, as a guarantee behind the Debenture. It is the surest, because the half-yearly coupons are attached to the Debenture and can be cashed at any bank in the country.

Write to-day for our booklet, entitled, "An Investment of Safety and Profit."
