Make a Will— Appoint an Executor

“If it is worth a man's while to spend a lifetime in building up a fortune or even a moderate competency, generally achieved for the sake of one's family, it is certainly more than worth while to spend a few hours in giving careful study to the use and best management of such fortune after one's death, and to act on that study by executing a proper will to ensure the proper carrying out of one's plans.”

The Nor' West Farmer (Winnipeg)

Trust Companies are growing in popularity as executors, because they are not subject to the unavoidable handicaps which make it hazardous to entrust property to an individual as executor.

THRIFT

This word was symbolized and interpreted aright by the French people prior to and after the War of 1870-71. Every Nation engaged in the present World War must learn the lesson of Thrift and practice it from now on, and none more so than the Canadians.

Every dollar saved is a dollar added to the Country's financial strength, and the Country's revenues are thereby increased.
