

The Country Home in Early Fall

The quickly obtainable heat that the Perfection Smokeless Oil Heater gives is nowhere more gratifying than in the home in the country after an overnight drop in the mercury. There is no need to

start a furnace or stove, as very likely the next day will be warm. Thousands of housekeepers know what to do. They just get out their Perfection Oil

Heater, strike a match, and in a few minutes they have raised the temperature of the dining-room or living-room to just the degree of warmth they desire.

PERFECTION SMOKELESS OIL HEATER

Absolutely smokeless and odorless

This heater has an **automatic-locking flame spreader**, which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back, so the wick can be quickly cleaned. The burner body or gallery cannot become wedged, because of a new device in construction, and can always be easily unscrewed for rewicking.

An indicator shows the amount of oil in the font. Filler-cap does not need to be screwed down, but is put in like a cork in a bottle, and is attached to the font by a chain. Finished in japan or nickel, strong and durable; well made; built for service, and yet light and ornamental. It has a cool handle and a damper top.
