

HATRED and CURSES.

It used to be necessary for us to blow our own horn. To-day others do this for us. Mr. H. Jarvis, Superintendent of Public Schools Milton, Iowa, says of our method:—

"I have just heard about your new method of teaching Latin and am told it is wonderful. Now if you have discovered a method that will help the bored teachers and pupils to get anything out of Latin besides hatred and curses, let me hear about it." Prof. Chas. Denny, of Drake University tells me about your method."

The DeBrisay Analytical Method was "made in Canada," but is being adopted by schools and colleges in the United States. Some day our method will be used in Canadian Schools. Meanwhile we are at the service of all who wish to learn Latin, French, and Spanish. — Courses by Mail, \$10.00.
