

ACTION PLAN: OBJECTIVE FOUR - GREENING OPERATIONS

ACTION	MILESTONE INDICATORS
Develop and provide inter-disciplinary awareness modules to policy-makers on the integration of SD considerations into decision-making on foreign/international policy issues and initiatives.	Ongoing
Develop appropriate and necessary training and briefing programs for DFAIT staff and other interested parties.	Staff training programs developed by close of 1997 and offered in 1998
Examine the need for the creation of a resident body of DFAIT expertise on global sustainable development issues and their impact.	Examination complete and action decision by close of 1997
Promote SD best practices internationally.	Exchanges through APEC working groups and APEC Environment/SD Ministerial Meeting 1997: promote "best practices" focus for CSD national reporting in 1997 and beyond
