I earlier ruled that on procedural grounds motion No. 11—the minister is rising on a point of order.

Mr. Cullen: Mr. Speaker, when I introduced motion No. 11 I knew it was not in order on procedural grounds and that I would need the unanimous consent of the House in order that it be adopted. I gave that undertaking at the committee stage. I believe there is a general disposition to give unanimous consent so that motion No. 11 can be carried.

Mr. Baker (Grenville-Carleton): That is correct, Mr. Speaker. Consent is given as far as this party is concerned.

Mr. Knowles (Winnipeg North Centre): Agreed.

Mr. Beaudoin: Agreed.

Mr. Speaker: The minister would require the consent of the House to present this motion at this time. Is there unanimous consent?

Some hon. Members: Agreed.

Hon. Bud Cullen (Minister of Employment and Immigration) moved:

Motion No. 11

That Bill C-14, an act to amend the Unemployment Insurance Act, 1971, be amended by adding immediately after line 5 at page 4 the following new clause:

"4.1 Paragraph 18(2)(a) of the said act is repealed and the following substituted therefor:

'(a) incapable of work by reason of any prescribed illness, injury, quarantine or pregnancy.'

Mr. Speaker: Is it the pleasure of the House to adopt the said motion?

Some hon. Members: Agreed.
