

NO SETTLER

should go to Manitoba or any other new country without having the MONTREAL WITNESS sent after him to bring him news of Home. The WITNESS devotes special attention to the new settlers and is full of valuable suggestions for

LIFE ON THE PRAIRIE

Or in the Back Woods.

Its Agricultural Department, under the direction of W. F. Clark and its Veterinary Department, under the direction of Dr. McEachran, Principal of the Montreal Veterinary College, are invaluable to farmers.
