### HERE AND THERE.

#### OUR JURY SYSTEM.

"I don't see how you could sit on that jury  
as you did, and not find McCain guilty!"  
"Oh! he was insane."  
"Well, there's no doubt of his being tried  
by a jury of his peers!"

#### THE SMALL BOY LOQUITUR.

I hate the pants that mother makes  
And "leaves me room to grow;"  
That's why they drag around my legs—  
That's why they wobble so.  
That's why the pockets at the side  
Are 'way down by my feet;  
And the way I know the front from back  
Is the patch that's on the seat.  
That's why they look so kind of queer;  
I'm going to tell her so.  
I hate those pants that mother makes  
With "lots of room to grow."  
GRACE H. DUFFIELD.

Dr. A. C. West, Dentist, has removed to  
his new and beautifully furnished rooms in  
the new Adelphi block, cor. Government and  
Yates streets.

#### POOR FELLOW!

"Has he no aim in life?"  
"Oh, yes; but he never had a shot at it."

Every man is the architect of his own fortune.  
And it's lucky for most of us that there's  
no building inspector around.

Have you used Campbell's 75c. line of  
Toilet water Old English Lavender, Wood,  
Violet and Edelweiss? Fragrant and lasting.

The difference between an overcoat and a  
baby is very obvious: One you wear, the  
other you was. No cards.

Two deaf mutes were married in Brooklyn  
last week. There is every chance of the marriage  
turning out to be a happy one. No  
wordy warfare, and no back talk.
