

PEA SOUPS LEAD THE LEAGUE

Montreal Tied With Worcester and Hartford Beat the Islanders.

ESPER FOOLED THE TORONTO.

Nash, Late of Buffalo, Assisted in the Hartford Victory-Today's Game.

Montreal's tie game with Worcester and Toronto's defeat by Hartford yesterday put the Easterners on top in the Eastern League championship race. Although the Islanders have a good hold on second place they are not content and they hope to lead this afternoon. As at present constituted, Manager Barrie's team is a hard one to beat, and the Toronto players will play their best to win. The game will be called at 4 o'clock with Alloway and Bothwell doing the battering. The Islanders and Knell are working for Hartford. Toronto had the misfortune to score the only defeat in the circuit yesterday. At Syracuse and Rochester rain stopped the games. First baseman Kelley of Hartford was knocked out yesterday in the 4th inning by one of Williams' straight swift ones meeting him squarely on the head. The record:

	Won.	Lost.	Pct.
Montreal	10	5	.692
Toronto	9	6	.600
Springfield	6	5	.545
Rochester	7	6	.538
Worcester	7	6	.538
Providence	6	9	.400
Hartford	6	10	.375
Syracuse	2	12	.143

Games today: Hartford at the Island, Worcester at Montreal, Providence at Syracuse, Springfield at Rochester.

Hartford 11, Toronto 4. They played the Island yesterday, and it was pretty easy for the visitors. Hartford presented Billy Nash, late manager-superintendent of the Buffalo Western League. He was in a blue mood, and acted as if he didn't care much for school kept out. Still Billy Barrie was happy with the result, and told an anxious admirer that the crowd looked all right. The day was dry, and the game was played in the sun. The Islanders were the Thistle cut out.

Toronto was never in the hunt, and was beaten everywhere. Old Southpaw Charlie Esper, late of Baltimore, did good work. He kept the nine hits all scattered, except in the sixth, when three and a couple of runs yielded two runs. A hit to the outfield and Harry Wagner's muff produced the tally in the third, and in the eighth, when a single and a double single sent around the fourth.

The Hartford scored regularly, and never were less than four or five ahead. They didn't need to bunch their hits, as Toronto's errors were an opportunity for the visitors. Shindle and Boyd were especially vicious with the stick. Williams was out for a while, and his support was in line. Finally, the Islanders were bad everywhere, and the sooner they fill up with some other kind of dupe the better. Score:

A Tie at Montreal. Montreal, May 18.—Today's game was called at the end of the 10th, on account of darkness. Montreal would have won but for error at critical moment. The feature of the game was the fielding of Priebse and Schiebeck. The day threatened rain and it was very chilly.

A suitable room has been set apart for the T. B. C. and there they will move their goods and chattels to-morrow.
