C.A.A.L. Championship, June 6. The Y.M.C.A. League spring championship will be run by the West End Y.M.C.A. on Saturday, June 6. Dovercourt-road is a busy street these nights. Over forty men went to the end gym on Monday night, going to floor and return, training for the club's annual 20-mile team race on Good Friday morning.

Chances look bright for a new record for this course. The old one is now held by Jack Tate, being 12.9. He is now back in his old-time form, but will have to go some to get away from Dymont, Holden, Magee, Lawson, Sellers, Puttock, Roe, McCutcheon, Kyle and Nelson. Any nothing of numerous "dark horses" among the new men training for this race. This is a race for the new men, and they are certainly taking advantage of it.

Vanderbilt Horse Win in Paris. PARIS, March 30.—In the hurdle races at St. Cloud yesterday, W. K. Vanderbilt won one event and a second in two others. The race for the Prix La Pommeraye, 300 metres, was won by Vanderbilt's Lacune filly, ridden by Bellhouse, third.

The race for the Prix de Bally, 1400 metres, for 500 francs, was won by Taupin, Jimcava was second and Mr. Vanderbilt's Hudson, ridden by Bellhouse, third.

Mr. Vanderbilt's Comstalk ran unplaced in the race for the Prix Evencourt.

Reckless Auto Driver. ATLANTA, Ga., March 30.—Lewis Strang, the noted automobile driver, performed a daring feat in the Collinsville race last night during the six-day bicycle race by driving his racing car around the twelve-lap bicycle track 36 times at great speed. The track is backed at an angle of 45 degrees and is much smaller and steeper than the Madison Square Garden bicycle track. The performance was so spectacular that the occupants of the boxes and front seats of the cars in the stands made the first round.
