TWO CENTS

BIG UNION" OF CANADA IMPLICATED IN U.

BITTER DISCUSSION ON CAMPAIGN FUNDS

Members of Farmers' Party Clash With Unionist Members Over Franchise Bill.

GUTHRIE PEACE-MAKER

Ottawa, April 13 .- (Special.) - Camparty found it embarrassing nor objected to it until the United Farmers selves of the pastime, and the treasparty found it embarrassing nor objected to it until the United Farmers conceived the opinion it was directed at their financial political activities.

The pastime, and the treasurer, for certain reasons which he said their financial political activities he did not care for the present to dispersion of the pastime, and the treasurer, for certain reasons which he said their financial political activities.

The pastime, and the treasurer of the present to dispersion of the pastime, and the treasurer of the pastime of the pastim The act is not changed in any essen- close, announced that the government tial particu

Attack O. B. Gould. and H. H. Mowat, with considerable shrewdness. During the farmers' byelection the farmers contributed nearly \$7,000 to elect him. His election expenses were published without details. This aroused so much criticism that a committee of the farmers published a statement with general, but lacking specific, details. He did not tell parliament that the second interest in innot tell parliament that the second Interest and still incomplete statement, was forced by public opinion.

Was Subject to Recall

In opening his remarks Mr. Gould stated that there were too many "rubber-stamp" politicians in parlia-"rubber-stamp" politicians in parity
ment. During his speech Dr. Edwards
forced him to admit that he had beforced him to admit that he had belinear the nomination signed

Insurance department this resignation, now in possession of a small committee and that he was subject to recall by this committee and a minority petition of the voting electors, yet he made a much better defense of this and campaign funds than did any of his colleagues. The recall system was vigorously attacked by Thos. Tweedie, Calgary, as de-stroying the independence of parlia-

Wanted Class Privilege.

It was remarkable that the United Will Lack Form of Privileges Says A. R. Loudon, Referring Farmers made their first strong appeal in parliament for class privilege, and that what was denied industrial organizations should be permitted them. They argued that industrial corporations' contributions were corrupting in

Clause Finally Passed. to those of enemy alien birth naturalized by father or husbands, naturalization and the right of franchise. This is threatened with an amend-ment from the government side calling for disfranchisement of military defaulters, but it will not be adopted. (Continued on Page 9, Cofumn 5).
