NO COAL SHORTAGE THROUGH LIKELY CARE & EXERCISED

Ontario Fuel Controller Urges Conservation on Part of Household.

PLACE ORDERS EARLY

"If anthracite coal continues to come into Ontario at the present rate, and if a reasonable amount of conservation is exercised by the householders there will be no famine in the supply of coal for domestic purposes in Toronto this winter," said Mr. H. A. Harrington, the Ontario fuel controller to the West yesterday.

Hard coal from Pennsylvania for household use is being shipped into Ontario in satisfactory quantities, due largely to the operation of the recent priority order of the United States Inter-State Commerce Commission.

The Ontario coal dealers and the Canadian railroads are co-operating with the American authorities to render the operation of this order effective.

Railroads Are Co-operating. The Ontario coal dealers and the Canadian railroads are co-operating with the American authorities to render the operation of this order effective.

Mr. Harrington anticipates great developments in the Canadian coal industry within a comparatively few years.

FLIGHT TO ALASKA BY WAY OF CANADA

Planes Are Ready to Start Today and Itinerary Mapped Out.

Minneapolis, N.Y., July 14.—Preparations for the 9,000-mile flight from this point to Nome, Alaska, via western Canada, which United States army pilots will begin at 10 o'clock tomorrow morning, were practically complete tonight.

The planes were tuned up and inspected late today, and now are "ready for the gun." Official reasons given for the flight are establishment of a direct air route from the United States to Alaska, and the photographing of uncharted and inaccessible areas of Alaska.

The itinerary and consecutive distances in miles are to be covered as follows: Mitchell Field to Erie, Pa., 350; Grand Rapids, Mich., 300; Winona, Mich., 210; Fargo, N.D., 320; Fortral, N.D., 290; Saskatoon, Sask., 280; Edmonton, Alta., 300; Jasper, B.C., 200; Prince George, B.C., 200; Hazelton, B.C., 200; Wrangell, Alaska, 210; White Horse, Yukon, 200; Dawson City, 250; Fairbanks, 275; Ruby, 240, and Nome, 300.

MONTREAL HAS HOTTEST DAY

Montreal, July 14.—Today was the hottest day of the year here, the thermometer registering 89.7 degrees, which was reached at 2 o'clock. Later it became a little cooler, falling at 3 o'clock to 85 degrees, but a following great storm, which threatened around 4 p.m., passed over with hardly more than a spot of rain.

HATS FOR 1921

Sounds like advance styles in millinery, doesn't it? We got the idea from a customer the other day. Says she: "I've just recently bought a new hat, but your windows showing fine straw and panamas at bargain prices attracted me, so I have decided to buy another for next summer."

That's the spirit—Our values appeal just as strongly to the man who is who is ready to buy next summer. You can get our quality line of straw hats for \$2.75; regular \$4.00 for \$2.75; regular \$3.50 for \$2.50; regular \$4.00 for \$2.75; regular \$4.50 for \$3.25; regular \$5.00 for \$3.75; regular \$5.50 for \$4.25;
