Quebec, Feb. 22.—Prominent Liberals of Quebec held a meeting at Senator Pelletier's residence last night to discuss the stand taken by the Catholic Church on the Remedial Order. It was agreed to interview His Grace Mgr. Begin, Administrator of the Diocese, as to the proposed mandement which the Episcopacy was about to issue for the guidance of Catholics on the Manitoba school question and on the Remedial Law specially. His Grace is reported to have declared to a prominent politician that the Episcopacy did not contemplate any such measure. The Attitude of the Church.

THE BREACH WIDENED

London, Feb. 22.—Thos. Sexton, who on Tuesday last made application for the stewardship of the Chiltern Hundreds, which is the form observed when a member of the House of Commons wishes to give up his seat in the House, has left London. He will now devote himself to directing The Freeman's Journal of Dublin. The split in the ranks of the Anti-Parnellites since the refusal of Mr. Sexton to accept the leadership of the party, and the election of John Dillon as leader, is more bitter than ever. The Irish Catholic, Timothy Healy's organ, says: "Our feeling for Mr. Sexton is one of sincere pity. He prefers a salaried office on a newspaper to the chairmanship of the party that has been impoverished by the policy which he sought to impose on the people. To suppose that John Dillon can ever be regarded as the leader of our race is a grotesque absurdity. His admitted incapacity will plunge the movement into constant blunders."
