

## MEMORANDUM.

FOR THE INFORMATION OF PERSONS WHO MAY DESIRE  
TO LEAVE MONEY OR PROPERTY, BY WILL, TO  
THE HOSPITAL FOR SICK CHILDREN.

THE HOSPITAL can legally receive any amount of money which may be given or bequeathed.

The Hospital can also take by gift, devise, or bequest any lands or tenements, or any interest therein, the annual value of which does not exceed \$1,000, provided the gift, devise, or bequest is made at least six months before the death of the person making the same.

The clause in the Will may be in the following form :—

" I give, devise and bequeath to the Hospital for Sick Children, at Toronto, the sum of                  dollars ; and also [describing lands or real property intended to be devised.]"

In cases where death is apprehended within six months, and when, therefore, the devise of lands would probably fail, it will be advisable to put the bequest in this form :—

" I give and bequeath to the Hospital for Sick Children, at Toronto, the sum of                  dollars, to be raised and paid out of my money and personal effects." If the bounty is intended for the branch of the Hospital called the Lakeside Home, or for any especial purpose, as for endowing a Cot, the purpose should be specified. In such cases the form may be to the following effect :—

" I give and bequeath to the Hospital for Sick Children at Toronto, for the use of the Lakeside Home, [or for the maintenance of a Cot to be called ' The                  Cot,'] the sum of, etc."

The Capital sum required for the Endowment of a Cot is about \$2,000.
