

A WORD AT CHRISTMAS.

THE HOSPITAL FOR SICK CHILDREN.

TO ITS FRIENDS.

HELP US TO CARRY THE BURDEN.

Remember us at the Christmas time. Do what you can to help us. If every one who receives this report would send the Trustees a dollar, it would fill a great gap in our wants. We want YOUR help. We care for five hundred little ones yearly, three-fourths of whom are restored to health. Address an envelope to J. Ross Robertson, Toronto, with a dollar, and help us at this Christmas time.

the children of the poor.

Your dollar can help to straighten the crippled body of suffering childhood.

Your dollar can aid in giving : first, rest, and then health to the weary little folk who fret on wretched beds in the homes of poverty.

Send your dollar enclosed in an envelope by post to

J. ROSS ROBERTSON, or MISS MARIA BUCHAN,

The Evening Telegram,
Toronto.

Treasurer,
165 Bloor st. E., Toronto.
