### The Better Lamp with the Inside Frost

EDISON Mazda announces the greatest achievement in lamp making of the past ten years—a NEW, better, stronger MAZDA Lamp, frosted on the inside. This lamp is of a new, pleasing design and in a neutral, pearl grey tint that blends with any decorative scheme. The inside frosting

banishes glare, sheds a soft, dif-fused light and actually gives more light than old-type frosted lamps. Because the outside is perfectly smooth, the new lamp is more easily cleaned. Added strength has been given by the improved construction. Four sizes of these new Edison Mazda Lamps will take care of
