A Splendid Hair Grower and Wonderful Beautifier

Here is good news for all men and
women whose hair is falling, dry, streaked
and scraggly—is falling out badly and
whose scalps are covered with dandruff
and itch like mad.
Your druggist can now supply you
with the genuine Parisian sage (liquid
form), which is guaranteed to quickly
and safely abolish every sign of dandruff,
stop itching scalp and falling hair and
promote a new growth, or money re-
funded.

Thousands can testify to the excellent
results from its use. Some who feared be-
coming hairless now glory in their abun-
dant hair, while others who suffered for
years with dandruff and itching head
got a clean, healthy scalp after just a
few days' use of this simple home treat-
ment.

No matter whether bothered with falling
hair, matted, stringy hair, dandruff
or itching scalp, try Parisian sage—you
will not be disappointed. It's a scientific
preparation that supplies hair needs.

The first application should make your
hair and scalp look and feel 100 per cent
better. If you want thick, lustrous hair
and lots of it, by all means use Parisian
sage. Don't delay—begin tonight. A
little attention now helps insure abun-
dant hair for years to come.
