Dominion Parliament.

THE GOVERNOR GENRAL'S SPEECH.

Hon Gentlemen of the Senate :

With the design of effecting those objects measures will be laid before you for the amendation as imilation of the laws now existing in the several Provinces, relating to Currency, Customs, Excise and Revenue general very effectively quoting Howe's old speeches.

Tupper spoke for two hours, defending the Neely, who was here last week. The Bisho Neely, who was here last week. The Bisho Neely of Me. has for a couple very effectively quoting Howe's old speeches. rency, Customs Excise and Revenue general by; for the a hoption of a uniform postal system; for the proper management and manifestal management and

of canada, under the terms of the Un on Act loading rifles; the second class to number ment, and in every way adapted to the duties frimmediately constructing the Intercolonial 200,000 men. Who are to be less deilled and failed and Railway. This great work will add a practical and physical connection to the Legislative is extracorant and with muzzle loaders only. The scheme cal and physical connection to the Legislative bond which now unites the Provinces comprising the Dominion, and the liberality which the guarantee for constitution was given by the Imperial Parliament is a new prost of the hearty interest felt by the British people in-

tions and the trial of contraverted elections. Gentlemen of the House of Commons.

The circum stances under which the Act of

Union cane into operation rendered it impossible to attain the assent of the Legislature to the expenditure necessary for carrying on the ordinary business of the Government. The caused the defeat of Garibaldi.

Paris, Nov. 7.2. I have directed that the estimates for the

current financial year shall be laid before you and you will find they have been framed with all attention to economy which is compatible with the maintenance of efficiency in the different branches of the public service. Hon. Gents and Gentlemen:

The general organization and efficiency of the Volunteers and Militia have been greatly improved within the last year; and the whole vo unteer force of Ontaria and Quebec is al ready, by the liberality of the Imperial Government, armed with the breech loading rifle.

I am happy to be able to congratulate, you

pleased Providence to bless the country, and Your new nationality enters on its course backed by the moral support, the matured and the most ardent good wishes of the Mother

Within your own berlers peare, security high and patriotic objects, and that you may mill building of Messrs Reese, Graff & Dall.

This to our view, is an Upon visiting the scene of the catastrophe it was discovered that a part of the building was blown to atoms and about 20 persons killed and material advancement of the people of Canada.

To St. John Telegraph.]

The explosion occurred in the building was soon in flames.
