DYKEMAN'S

THE NEW SPRING DRESS GOODS

are all here and such a display. It makes us long to see the buds that we may more fully realize that it is time to get these goods into form for wearing. Just to look at them makes us feel a season ahead because they are a little different from goods we have been showing. The prevailing styles are chevrons, serges, and wales, and these are shown in a profusion of colors that will satisfy any taste.

We are showing FOUR PARTICULARLY STRONG RANGES IN THE LEADING CHEVIOT GOODS and each line is shown in about ten different shades, 55, 75, 85, and 95 CENTS A YARD. These goods are from the celebrated Ripley works of England, the well-known Pyrie finish, soap shrunken goods. You can depend upon them being fast colored, they do not need to be shrunken and as they are pure wool they are the most serviceable goods that have been shown in many seasons past.

Then we are showing a full range of the plain French materials such as BATISTE, VENETIANS, BROADCLOTHS, ranging in price from 45 CENTS UP TO \$2.50 A YARD.

The substantial and REAL cash reductions made in our Overcoat prices had the anticipated effect—the Overcoats have melted away like snow before a warm Spring sun.

But there are still more of them than we want—their room is more valuable to us than their company.

So the SALE continues, and YOUR opportunity still stands waiting.

Mostly the regular Chesterfield models, 45 and 50 inches long, in black, greys and browns; very desirable overcoats and to suit almost every taste—perfectly adapted for next winter's use.

A despatch received by his friends last evening, stated that the successful result of the operation could not yet be stated, as the patient had not yet emerged from the effects of the ether. His sister, Miss Jessie Holder, is with him, having left here on Tuesday.

Mr. Holder is a very well known young North End man, and has numerous friends who bear with regret of the unfortunate termination of his holiday trip, and await with eagerness news of a happy ending to his ordeal. LOTS OF CANDIDATES FOR CIVIC ELECTION

Opposition Promised in Every Ward—Some of Those Who Will Run and Those Who are Thinking of It Over.

The coming civic election promises to be a lively one. From the number of citizens whose names are being mentioned as candidates for the Common Council, among the latest are: G. Herbert Green for Dukes ward; Chas. E. Vall in Wellington; G. H. White in Lansdowne; G. F. Heans in Stanley and Dr. Kenney in Brooks ward.

The contest for the majority is assured between Ald. Frink and Ex-Ald. McArthur with the possibility of a third candidate entering the field before nomination day.

The retirement of Ald. Lewis leaves Sidney ward open and Messrs. Scovell and Bustin have announced their intention of running. John H. Tonge has also been mentioned as a possible aspirant.

G. H. Green is being urged to oppose Ald. Vanward in Dukes ward, but has not yet come to a decision.

In Queens ward J. H. Burley is in the field against Ald. Elkin. In Kings R. W. Wigmore will run against Ald. Likely.

Chas. E. Vall has been spoken of as an opponent of Ald. Christie in Wellington ward but has as yet made no definite announcement.

John Willett re-enters the arena against Ald. Odner in Dufferin ward. A. G. H. Wilson is promised opposition in Lansdowne ward and Capt. V. H. White is being urged to run. He has not decided yet whether or not he will accept.

G. Fred Heans is mentioned as an opponent to Ald. McCordrick in Stanley and may run in that ward.

On the West Side Dr. Kenney is expected to oppose Ald. Baxter in Brooks ward and W. E. Smith has been asked to run against Ald. Bolyea in Guys.

Ald. Frink's removal from the state leaves a vacancy among the aldermen at large and so far Timothy O'Brien is the only one to lay claim to it.

Ald. Holder has not definitely announced whether he will run again in Queens ward. Geo. B. Day is being strongly urged to become a candidate but has not yet given his friends a decided answer.

Opposition to Ald. Hayes in Victoria and Ald. Sprout in Prince ward, is being discussed, but so far no positive steps have been taken in either ward.

VICTIM OF THEFT WAS EASILY SATISFIED

Met Stranger Who Had Robbed Him of His Wed Seven Years Ago and Accepted an Order in Settlement.

A novel way of settling a seven year old debt was used by a man at the Union Station today when he was confronted suddenly by the person from whom he had "borrowed" the money, without the latter's permission.

The obligation arose a number of years ago when Fred Gamble, of the King Edward, and a companion were rooming together in Moncton. Gamble arose one morning to find that several dollars which he had left in his pocket was missing and in its place was a polite note from his sleeping mate who stated that he had borrowed the money and would return it when he was able.

Gamble has been in the United States for some time since then and had not seen either his friend or his money. This morning he went to the station to meet his wife who was returning from Boston and was delighted to see his old friend getting off the same train. He approached him and reminded him of the obligation. The friend professed to be glad of the opportunity to make restitution and drawing a slip of paper from his pocket wrote on it an order on a local bank for the amount, passed this over and then quickly disappeared.

After he had made a few inquiries Gamble decided that the order on the bank did not place him in any better position than he was before and he is again looking for his friend to collect from him something bearing more resemblance to the old hard cash from which he was parted.

THE IRELAND WILL ARRIVE ON SATURDAY MORNING

Toulisan to Sail Tomorrow—Sardinian, Inward Bound, is Not Yet Reported—Gramplan on Last Trip.

Twenty passengers for the steamer Toulisan reached the city on the Montreal Express this morning. The steamer will sail from Sand Point tomorrow for Liverpool via Halifax.

There was no report today from the Allan Line Sardinian, which is due at this port. The steamer is coming from London via Havre. The Sardinian will make a call at Halifax on the return trip.

Allan Line Gramplan in command of Captain Johnson, is now making her last trip of the season to this port. The steamer is due from Liverpool on Saturday or Sunday.

The Portlands and Algonquins will meet this evening at basketball. The match will take place at 8 o'clock in the Algonquin rooms. This is the third game of the series.
