TEXT OF TREATY OF PORTSMOUTH

Which Went Into Effect Yesterday

Published in St. Petersburg and Tokio Yesterday Afternoon—Soldiers Must Not Criticise.

TOPIO, Oct. 16.—The peace treaty with Russia went into effect today. The text of the treaty was published this afternoon.

Article 1.—The Imperial Russian government and the Japanese government have agreed to the terms of peace on the ground that the declarations of peace and of war are entirely the outcome of sovereign power.

Article 2.—The Imperial Russian government transfers to the Japanese government all rights, interests, claims, and obligations in Korea, Manchuria, and the Liaodung peninsula in conformity with the provisions of the additional articles annexed to this treaty.

Article 3.—Japan and Russia mutually agree to construct in their respective possessions a railway connecting the adjacent islands, and fortifications or other similar military works.

Article 4.—The Imperial Russian government transfers to the Japanese government all rights, interests, claims, and obligations in the territories of the former.

Article 5.—The Imperial Russian government transfers to the Japanese government all rights, interests, claims, and obligations in the territories of the former.

Article 6.—The Imperial Russian government transfers to the Japanese government all rights, interests, claims, and obligations in the territories of the former.

Article 7.—Japan and Russia engage to exploit their respective railways in Manchuria exclusively for commercial and industrial purposes and no use for strategic purposes.

into force a commission of limitation composed of an equal number of members to be appointed respectively by the two high contracting parties, which shall on the spot mark in a permanent manner the exact boundary between the Japanese and Russian possessions of the Island of Sakhalin.

The commission shall be bound so far as to paragonically consider a permit to follow the 50th parallel of north latitude as the boundary line, and in case any defects from that line at any points are found to be necessary, permits will be made by co-relative defects at other points.

Article 8.—The Imperial Russian government ceases to exercise its jurisdiction over the territory of the former in the Liaodung peninsula, and the Japanese government ceases to exercise its jurisdiction over the territory of the latter in the Liaodung peninsula.

Article 9.—The Imperial Russian government transfers to the Japanese government all rights, interests, claims, and obligations in the territories of the former.

Article 10.—Reserved to Russian subjects inhabitants of the territory ceded to Japan to sell their real property in accordance with the law of the territory they will be maintained and protected on the full exercise of their industries and rights of property on condition of submitting to the Japanese laws and jurisdiction.

Article 11.—Russia engages to arrange with Japan for granting to Japanese subjects the right of residence in the Japanese territory, and to the Japanese subjects the right of residence in or to depart from such territory, or to inhabitants who labor under political or administrative disabilities, and one bottle of wine per year, which will have been proven very serious if I had not used this medicine.

Article 12.—The treaty of commerce and navigation between Japan and Russia having been annulled by the war, the Imperial governments of Japan and Russia engage to adopt as a basis for the conclusion of a new treaty for commercial relations pending the conclusion of a new treaty of commerce and navigation, the basis of which shall be the existing commercial relations.

Article 13.—So soon as possible after the present treaty comes into force, the Imperial governments of Japan and Russia shall reciprocally grant to their respective subjects the right of residence in the territories of the other.

Article 14.—The Imperial Russian government transfers to the Japanese government all rights, interests, claims, and obligations in the territories of the former.

Article 15.—The present treaty shall be signed in duplicate in both the English and French languages, and the two copies shall be equally authentic.

CALVES AND BABY BEEF

Baby beef is the highly finished product that sells for the highest figure because the muscles, tendons and tissues are not hardened by age and use.

Clydesdale Stock Food can be fed with the greatest benefit to calves, especially with Separator Milk, as it takes the place of the extracted butter fat.

ST. JOHN SEMI-WEEKLY SUN. 4,992 Columns a Year. 8 Pages Twice a Week. ONE DOLLAR A YEAR.
