hatted of wrong, he samestly exhorts that "all bitterness and wath and evil speaking be put away iram you, with ait mailed."

It is a very common thing that people, Christian people sometimes, also, who make others unhappy by their violent educations, ex use themselves on the ground that they have naturally a very? "light tempter." As an gausse this is of no more value than that of the drushes that he has a natural appearance for liquor, or of the illustration of the ground that they have naturally a very? "light tempter." As an gausse this is of no more value than that of the drushes that he has a natural appearance for liquor, or of the illustration of the growth of the most courter of the most courter. A had temper can be issued it lie possessor really wants to do it. One of the most courter, the same to worker, each, which had been a cathactic is required. They are cleaked, and religion the set to work and broke it as he would hereak a victous horse into a harress. A bad temper is more than an it firmity it is a sin, to be resisted and prayed against and fugst down as much as any sin.

When our house takes fire the impulse is to go for a bucket of water. But if temper takes fire the impulse is to go for a bucket of water. But if temper takes for the first impulse it to go for a bucket of water. But if temper takes for the impulse in tog for a forth of the courter of the most of the courter of the courter
