I. MATHESON & CO., LIMITED
New Glasgow, Nova Scotia

In the afternoon for Boston. The
craft which is a graceful and most
swarthy one, is under command of
David D. Henwood, owner, who has
a party of friends on board.
Sailed Yesterday.
The Eastern Line steamer Governor
Dingley on her Boston trip yesterday
carried 39 tons of mixed freight, but
very few passengers.
Will Shift Berth.
The R. M. S. P. Chignecto will shift
from the Refinery wharf to the Pet-
tignall wharf tomorrow, where she will
load mixed local freight before return-
ing to the West Indies via Halifax.
Will Sail This Week.
The Icelandic schooner Emergl has
finished loading her cargo of dogs
and is undergoing final preparations
before making her maiden cargo trip
to a British channel port.
Starts for Labrador.
The coastal steamer Granville,
which plied between St. John and
Annapolis, sailed with the H. V. Green
exploration party for Labrador Mon-
day night from Halifax. She was de-
toured at the sister city (via a cable)
awaiting the arrival of a hydroplane
to complete the equipment, which con-
sists of three flying machines.
Sails for St. Pierre.
Says the Yarmouth Herald—The
wrecking steamer LaCanadienne, Cap-
tain Peach, came into port on Tuesday
afternoon from the wrecked steamer
Alert, for coal and water. On Mon-
day she succeeded in raising one of
the Alert's boilers, which she attempt-
ed to tow to Yarmouth. She had on
board a short distance when the
shackles, which were made fast in
a man hole, gave way and the boiler
sank in about thirty-five fathoms of
water. It was buoyed and markings
placed and an effort will be made to
save it. Yesterday Captain Peach re-
ceived a despatch from his company
in Halifax instructing him that the
trawler St. Andrews was ashore on
Diamond Point Lodge, St. Pierre,
Miquelon, and for him to proceed at
once to the wreck.

**THE DISTURBANCES
ABOUT LONDON ARE
GROWING SERIOUS**
Gangs of Youths and Dis-
charged Imperial Soldiers
Are Looting and Cutting
up Scandalously.
London, July 23.—(Canadian Asso-
ciated Press)—Civil disturbances in
different parts of the country have
been so destructive as anything com-
mitted by the military. At Swindon
last night gangs of youths and dis-
charged imperial soldiers looted
twenty business premises, and burnt
the dagstaff outside the municipal
buildings. At Luton, where the town
hall was burnt, further disturbances
were quelled by police charges. Two
men and four women were arrested
and further arrests are imminent.
At Coventry many shops were at-
tacked. Forty persons were injured,
some dangerously, and police assis-
tance was sought from Birmingham.
At Bilston the mob tore down a wall
and used the bricks as missiles against
the police. Additional police were
summoned from neighboring towns.
