## Obituary

**Mrs. Hiram B. White**  
Very quietly yesterday afternoon Mrs. Mary Adeline White passed away at her residence, 55 Haven St. Although Mrs. White had reached an advanced age her wonderful vitality kept her young at heart and she will be missed, not only by the elder members of the community but by many of the younger ones.

Born in Yarmouth, N. S., she moved to Lunenburg, Maine, with her parents in early life, coming to St. John shortly after her marriage to the late Hiram B. White who predeceased her only by a little over three months. They were of the same age and both the late Mrs. White and her husband were of the same family. Though of a retiring disposition and finding her greatest pleasure in her home, Mrs. White took an active interest in everything pertaining to the Methodist church of which she had been a member since coming to the city. At the request of the church she had been a member of the church for some time. Mrs. White is survived by two sons, J. Hunter White of this city and G. Vincent White of Moncton.

**W. Tyng Peters**  
The death of W. Tyng Peters occurred Saturday morning at his home in Lunenburg. He was sixty-five years of age. Besides his wife he is survived by one daughter at home and by four brothers and three sisters in the west. The funeral will be held from his late residence this Monday afternoon. The body will then be taken to Apohaqui where services will be held in the Church of the Ascension. Interment will be in the cemetery at Apohaqui.

Mr. Peters was a son of the late William Tyng Peters, barrister, of St. John. One of his brothers is Frank W. Peters, a prominent official of the Canadian Pacific Railway, and other members of the family are prominent in the life of the west. Mr. Peters married a daughter of the late George Billson of Apohaqui. He had been in the employ of the C. N. R. and the old intercolonial railway for many years and was well known to the men in the service on this division. A faithful officer, he was also a worthy citizen of Lunenburg, where his death is sincerely regretted by all patrons of the railway.

**CHAMP SAYS JESS SHOULD SHOW CLASS**

Although it seems apparent that Jess Willard will get a crack at Jack Dempsey's world's heavyweight boxing crown next July, the Champion does not think much of the match. He, however, said that he is willing to meet Willard or any other person whom the public demands.

In talking of the proposed Willard-Dempsey fight, the Champion said: "I don't think much of the match and it would not surprise me if it did not come off. Willard has never beaten any person except an old man. He should go out and beat some of the other fellows here and I would be a real card to the end of the table and finished."

"I don't care who comes along and I am always willing to fight any person and their color doesn't make any difference."

## St. Dunstan's Second Team Victorious

Second Team in Their Initial Appearance This Fall Trimmed Prince of Wales 3 to 0.

**Special To The Standard.**  
Charlottetown, P. E. I., Nov. 13.—A Saturday afternoon at the C. A. A. grounds St. Dunstan's University second team in their initial appearance on the gridiron this fall defeated the P. W. College fifteen by a 3 to 0 score. The game was interesting at all stages and at many times exciting. During the first half the Prince of Wales men were completely outclassed but in the second they sprang a surprise and came back strong. Their efforts to score however proved fruitless as the Saints showed an ability to defend which although not altogether unexpected was surprising. The form displayed by the Saints was greatly superior to that of their opponents, the back field being well organized, and the forwards playing an unusually good game. On the other hand the P. W. C. team was handicapped in this respect as their half line was not at all as well organized as it might be. Their forwards however played well in the open and in the scrum and it was due to their untiring efforts that the P. W. C. gains were made.

The game was played on a partly muddy and slippery field and it was on this account that Tom Hines failed to go over for a touch in the second half after carrying the ball thirty yards only to slip and fall with a P. W. C. man on top of him. In the first half after playing a loose game for the first few minutes of play the Saints went through the P. W. C. half line with a word of pop that carried their opponents off their feet. They were never given a severe on the normal school's yard line but P. W. C. was not strong enough to hold them nor push them back and a few seconds later Al McDonald went over for the only score of the game. Hines failed to convert and the ball was sent back to centre for the second kick off.

In the first period the Saints employed an attack of considerable variety and deception sprinkled with well conceived passes that proved successful to a high degree. The game was played by the Saints, Nelson and McDonald for P. W. C. was particularly noticeable. It was in the second half that the P. W. C. backed went to pieces when their plays would have perhaps proved disastrous for the Saints but they were not equal to the work of the Saints and so the pickings were kept within the ten yard line of their territory almost two thirds of the period. Galt, a former normal school man showed up in this half going around the P. W. C. end for several gains which helped materially in getting McDonald over for the only score. The first half ended with the ball on the normal school's ten yard line.

In the second half the University team started out well but their opponents taking advantage of the kick off held the play in the Saints territory for about three minutes. Here they had several perfect chances to go over for a touch but failed utterly. Galt received the ball after a five yard line scrum and sent it back to centre with a line kick. The balance of the game the Saints forced the game on P. W. C. ground. Hines, McDonald and this played well for the Saints in this half while the perfect passing of McDonald, McDonald, Wedge and Monahan was a feature. Phil McDonald was easily the star of the P. W. C. line and his mad rushes through the Saints' centre for several large gains brought the P. W. C. rosters to their feet with a grand ovation for him. Art McDonald and Nelson also did good work for the Normal School in this period and they too received their share of honors. But the big hustles of the Saints' rosters who occupied a prominent place in the grandstand were not to be outdone. Time and again when the Saints men ploughed their way through the P. W. C. defence to go old victory cry floated across field uttered from the lusty throats of the Saints' followers led by Thunder Doyle. Towards the end of the game the P. W. C. half line was practically played out and it was only their staying power that kept the Saints from going over in this half. On the tumble of a side pass by one of the Saints' players the P. W. C. fullback captured the ball and sent it back to centre just as time was called. An exceptionally large crowd witnessed the game despite the fact that the weather was very biting. Mr. Frank McDonald's efficient refereeing proved most satisfactory in giving sound judgment.

## Champ Says Jess Should Show Class

les he held of elimination bouts among the big fellows is a good idea. There are several boys on about the same level and if they wanted out the best to meet me, then I believe the bout would go over big with the public."

Upon being asked what he thought of the talk of a match between Tommy Gibbons and himself, Dempsey said: "I think the bout would be a success financially, but I think Gibbons is too small. I have never seen him, but from reports I know he must be clever. He is built along the same lines as Carpenter and while no doubt he is game, I don't think he is big enough to be real dangerous. Gibbons has not knocked out any heavyweight of any real count. If he went out and defeated Fulton, Brennan, Martin, Morris, or some of the other big fellows then a match between him and I would be a real card."

"I don't care who comes along and I am always willing to fight any person and their color doesn't make any difference."

## Ottawa Lost To Argonauts

Completed Senior Inter-Provincial Series Without a Defeat—Score 28 to 5.

Toronto, Nov. 13.—Argonauts completed the senior inter-provincial series without a defeat yesterday afternoon by defeating Ottawa, 28 to 5. Argos jumped into the lead in the first period when they scored 18 points and held the visitors scoreless. In the second and third periods, Ottawa outscored the champions 8 to 1 when the scullers were using a lot of their spurs, but in the final period, when the regulars returned to the game, the Argos' offensive again showed a decided superiority.

Kingston, Ont., Nov. 12.—Toronto Varsity won the senior C. I. R. P. U. championship this afternoon when Queens defeated McGill by the score of 6 to 3, in a hard fought game. The game developed into a kicking match with Leadley's punting being the feature. The game was a very strenuous one, twenty-five injuries being suffered during the game.

## Will Dalhousie Trim U. N. B.?

According to Results of Games Played U. N. B. Team Looks Good as Winners.

Halifax, N. S., Nov. 13.—The Herald sports editor writes:  
"Will Dalhousie beat New Brunswick for the maritime intercollegiate rugby football championship when the two teams clash at Truro on Thursday?"  
"But the Tigers are very much in it, their supporters say. Dalhousie at least won the eastern section of the league decisively."  
"U. N. B. may lose out on a protest. However, those who should know say that Mount As protest will fail."

## Shirt Salesman On Willie Hoppe's Trail

Edouard Horemans, the Belgian Wizard, is the Man—Has Defeated Good Ones.

Eight years ago a young shirt salesman in Antwerp was introduced into a church billiard club, and was taught the rudiments of the game by club members.

He was fascinated by it. After the story closed, he would spend long evenings by himself, studying new ways of making a cue ball answer his whims.

Soon he was starting other members of his church club by his almost wizard-like control of the balls. He told them, "You ought to be playing with the experts."

The young shirt salesman took his friends at their word. He left his church club for keener competition, rising gradually until he became the foremost cue ball of Europe.

And now he is in America playing a round of exhibition matches preparatory to the championship tourney at Chicago in November, when he hopes to get a crack at Champion Willie Hoppe.

The shirt salesman is Edouard Horemans, the Belgian wizard.

Hoppe is the world champion at the 15.1 game and holder of the American title at 15.1.

It is a certainty that he and Horemans will get together in the near future, for the rules lay it down that the title holder must defend his title at least once a year.

The Belgian is fast setting a record for himself. Since his arrival in this country, he has defeated every American contender that he has taken on. Not only does he defeat them, but almost every time he steps to a table he shatters a record.

He has defeated such experts as George Sloman, Joe Mayer, Gallagher and Cutler. During these games he has made runs of 70, 645, 543 and 325.

The world's record run of 365 was made by Hoppe in a championship match with Walter Cochran seven years ago.

His ball line during a match with Gallagher, Horemans ran 307 and 143. The world record of 149 made by Frank Ives was made in 1897.

Horemans is a real genius and is the first billiard player to develop anything in the last 30 years that is worth considering.

He is self-taught billiardist, which accounts for his peculiar style of play. The most wonderful part of his game is his massé shot which he always plays with a view of position for the next shot. It is the hardest way to play the game and he has taken the thing backwards to bring it out.

He never hesitates, for he knows just how he is going to play. Many of the boys saw back and forth with the cue before shooting. Edouard just hauls back and lets 'em have it. His game is steady and rapidity.

## St. John Team Was Victorious

Carried Off Premier Honors in Dunlop 5-Mile Road Race at Moncton Saturday.

Moncton, Nov. 13.—St. John carried off premier honors in the Dunlop five mile road race held here Saturday afternoon, winning the team race with eighteen points while Halifax was a close second for twenty points. The Halifax team had the first two men in but five St. John men were the next to cross the line, followed by two Halifax men in eighth and ninth positions.

A. Hansen of Halifax, crossed the line first in 28 minutes, 10 seconds, very fast time considering the slippery condition of the roads.

St. John won the trophy by getting five men home in a bunch, taking third, fourth, fifth, sixth and seventh positions, the first four counting.

The two Halifax men, missing in eighth and ninth positions, lost their team first place in the points total. The St. John and Halifax teams finished in the following order:  
First, A. Hansen, Halifax, one point; second, B. Brown, Halifax, two points; third, G. G. St. John, three points; fourth, Lambert, St. John, 4 points; fifth, Watson, St. John, 5 points; sixth, C. Thomas, St. John 6 pts. John 6 points; 7th Yeomans, St. John, 7 points; 8th, C. Brown, Halifax, eight points; ninth, H. Worley, Halifax, nine points; tenth, H. Fryer, St. John, ten points; twelfth, W. Duke, Halifax, twelve points.

Four men to a team count in points. Moncton, the only other town competing, finished last with the exception of one man, who finished ahead of Dukes, of Halifax.

The Y.M.C.I. High School Girls' Basketball League opened Saturday, when Miss Leary's team won from Miss A. Flood's by a score of 1 to 0 and Miss Jeannette Fraser's team defeated Miss Marion O'Leary's by a score of 4 to 2. Both games were refereed by Physical Instructor W. E. Stirling.

## Wanderers Are Now Champions

Halifax, N. S., Nov. 13.—The Wanderers senior football team clinched the Halifax city rugby championship on Saturday afternoon by defeating Dalhousie University by a score of 12 to 4. It was a good fast, clean game, and was witnessed by 3,000 people. The Wanderers also won the junior game from the collegians by a score of 4 to 0.

It is reported that Frances, 2,174, bay trotter, that Roy Hall of Union raced so successfully this summer has gone to the stable of Frank Colburn of Farmington.

The former don cast trotter, Brago, 2,094, has been sold for export.

It is reported that Tony Mac, 2,044, and Tom Donahue, 2,104, may meet in a \$1,000 match race on the ice at Gardiner this winter.

John R. Braden, 2,024, and the property of the Moosehead Club of Presque Isle, won nine races and \$5,450 this summer. His only defeat was at the hands of Director J. and Margaret Dillon. A banquet was recently given in his honor and he had his name at the table with other distinguished guests.

Irving Pottie has won several good races with Billy King, 2,054, and quite a few new Maine track records are to the credit of the old campaigner.

## Getting Ready To Play Dalhousie

U. N. B. Team Preparing To Leave For Truro To Play for Maritime Championship.

Fredricton, N. B., Nov. 13.—Although the three faculty representatives of the western section of the Maritime Inter-Collegiate Rugby League have not reached a decision in the matter of the protested game between the University of New Brunswick and Mount Allison on Nov. 4, the University of New Brunswick team, in expectation of being declared winners of the Clark trophy, were to night making preparations to leave for Truro, N. S., on Tuesday to play off Thursday with the Dalhousie University team, leaders of the eastern section, for the rugby championship of the Maritime Provinces. The local gridiron has been covered with snow and slush since Nov. 4, but the University of New Brunswick players have been keeping in shape by playing basketball and doing some road work.

## The Rothesay Team Defeated Aberdeen

Moncton High School Squad Were Rather Outclassed Saturday—Score 19 to 0.

In a one sided game played on a slush covered gridiron, Rothesay Collegiate School defeated the Aberdeen High School football team by a score of 19 to 0 at Rothesay Saturday. The scoring indicates the nature of the game. Play centered in the Moncton team's territory for the first half, the entire two periods, although the Aberdeen boys showed some signs of a come back towards the end of the game but failed however to cross their opponent's line.

In the first half Rothesay scored five tries, one of which was converted. In the second half the R. C. S. boys lost Kitchen, their captain, who was obliged to quit the game because of an injury received, and resorted chiefly to a defensive game, but managed to score another try during this period.

With the exception of Wyse, captain of the Moncton team, none of the other players were in the class of the champions of the Inter-Scholastic League, the Rothesay forward line in particular showed a marked superiority both in heeling out the ball and in following up. N. R. DesBrisay of St. John returned the game to the satisfaction of both teams.

## Pete Herman Won From Roy Moore

Former World's Bantam-weight Champion Was Awarded Judge's Decision.

New Orleans, Nov. 13.—Pete Herman, New Orleans, former world's bantam-weight boxing champion, received the judges' decision over Roy Moore, of St. Paul, in a 15-round bout last night. It was Herman's first appearance in the ring since he lost his title to Johnny Burff last September.

Herman held a safe lead in every round but the eighth, in which Moore had a shade, and ninth which was even. The former champion's fighting was effective, with Moore taking severe punishment from fast right and left hand body blows.

## United States Football Results

New York, Nov. 11.—The smashing, highly trained Yale eleven that defeated Princeton 13 to 7 at New Haven Saturday is ranked, because of that victory, as too strong for the Harvard team, which will meet Yale next Saturday in the last of the season's big three games. Princeton has won from Harvard and lost to Yale. Should Harvard win next week, which football experts think unlikely, there would be created the unique situation of a triple tie for the so-called big three championship.

The kicking of Captain Malcolm Oldrich was the real factor in Yale's win over Princeton. For the two field goals which Aldrich lifted between the posts carried the bull dog to victory. Charlie O'Hearn, the Yale quarterback, made the Yale touchdown in the opening period. The matter of brute strength is not so important. It also indicates considerable of the dangers of accidents in a game as strenuous as Rugby. I am credibly informed that in a season at Oxford and Cambridge the game is played without serious mishaps, due in great measure to the manner in which the system is played. And when one considers that the students these days play almost every day for four months out of the year in matches every bit as strenuous as the inter-collegiate matches here, it is rather a good argument for the adoption of the English style of playing. Rugby played the part of a stimulant, resourcefulness, initiative, development, strength of character, physical development and all that goes to make a boy a real man. The Duke of Wellington is credited with the statement that the Battle of Waterloo was won on the playing fields of Rugby and Eton.

Princeton made a touchdown in the second period in ten plays, including four forward passes, the last play being a buck of a yard across the goal line by Garrity.

Princeton had the more perfect machine, but Yale was invincible in line smashing and running and running back punts.

The Penn. State eleven, undefeated this season, disposed of the Navy, 13 to 7. It was the Navy's first defeat since the inter-collegiate matches here, a 14-14 tie at the Polo grounds, New York. Ohio defeated Columbia in New York, 25 to 21.

Other scores yesterday were:  
At Worcester, Mass.—Holy Cross, 4; Colby, 0.  
At Durham, N. H.—New Hampshire College, 56; Mass. Aggies, 7.  
At Burlington, Vt.—Vermont, 14; Middlebury, 7.  
At Williamstown, Mass.—Williams, 26; Amherst, 0.  
At Boston—Boston University, 20; Norwich, 14.  
At Exeter, N. H.—Exeter, 34; Andover, 3.  
At West Point—Army, 49; Villa Nova, 0.  
At Hoboken, N. J.—Stevens, 34; Maine, 7.  
At Allentown, Pa.—Muhlenberg, 13; Fortiam, 7.

## Australians Won From South Africa

London, Nov. 13.—(Canadian Press Cable)—With Collins scoring a double century and his colleague Gregory hitting up 119, the Australian batsmen completely collapsed the South African bowling in the initial day's play of the second test match, according to a Rouser despatch from Johannesburg. At the close of play the Australians' score stood at 450. The partnership between Collins and Gregory was a brilliant affair, the former making 200, lashing the South African bowling unmercifully.

Fred Killen, who was the leading catcher for the Yarmouth baseball team last summer when they captured the championship of the South Shore league, Saturday received a gold watch for emblematic of the championship. The fobs were donated by Spaldings and are of very pretty design.

## Suggestions On College Sports

Oxford or Cambridge Could Be Brought to Provinces—U. N. B.-Mt. A. Game.

It is not the intention of the Sporting Editor of The Standard to take sides on the question of which university is right or wrong in the matter in dispute between U. N. B. and Mount Allison. As the colleges, however, are looked up to as examples of what real good, clean amateur sport should be, it might be a great deal better if the point at issue were forgotten and, if practical, the game played over again at Fredericton. Stumbling over such a technicality as this does not help to encourage interest in university athletics, and just at the present time the graduates and friends of the universities are following interestingly and closely the athletic fortunes of the different colleges. Now that the war is over, a greater interest than ever will be exhibited. In a case like the present one, it is suggested that a decision be come to without delay, as this long drawn out discussion savors too much of what obtains in professional baseball in U. S. Asst. manager when they captured the championship of the South Shore league, Saturday received a gold watch for emblematic of the championship. The fobs were donated by Spaldings and are of very pretty design.

Princeton has won from Harvard and lost to Yale. Should Harvard win next week, which football experts think unlikely, there would be created the unique situation of a triple tie for the so-called big three championship.

The kicking of Captain Malcolm Oldrich was the real factor in Yale's win over Princeton. For the two field goals which Aldrich lifted between the posts carried the bull dog to victory. Charlie O'Hearn, the Yale quarterback, made the Yale touchdown in the opening period. The matter of brute strength is not so important. It also indicates considerable of the dangers of accidents in a game as strenuous as Rugby. I am credibly informed that in a season at Oxford and Cambridge the game is played without serious mishaps, due in great measure to the manner in which the system is played. And when one considers that the students these days play almost every day for four months out of the year in matches every bit as strenuous as the inter-collegiate matches here, it is rather a good argument for the adoption of the English style of playing. Rugby played the part of a stimulant, resourcefulness, initiative, development, strength of character, physical development and all that goes to make a boy a real man. The Duke of Wellington is credited with the statement that the Battle of Waterloo was won on the playing fields of Rugby and Eton.

Princeton made a touchdown in the second period in ten plays, including four forward passes, the last play being a buck of a yard across the goal line by Garrity.

Princeton had the more perfect machine, but Yale was invincible in line smashing and running and running back punts.

The Penn. State eleven, undefeated this season, disposed of the Navy, 13 to 7. It was the Navy's first defeat since the inter-collegiate matches here, a 14-14 tie at the Polo grounds, New York. Ohio defeated Columbia in New York, 25 to 21.
