J. L. STEWART, ..... EDITOR. SATURDAY EVENING, NOV. 7.

A New Fashioned Legislature. To "assume a virtue if you have it To "assume a virtue if you have it not" is a lesson that monarchs have learned from the ambitious Lady Macbeth. Many rulers make great efforts to keep up a legislature that will command respect from the people and not thwart the will of the crown. The problem is a most difficult one, and has often become so entangled that it had to be solved in the Alexandrian fashion.

Caiser William has passed the greater. (aiser William has passed the greater art of his reign struggling with this ifficulty, and has been many times on Young Bury's delicate health prevented Young Bury's delicate health prevented ne point of dispensing with his legislatre. He is now endeavoring to organte such a representative body for Alsace
and Lorraine as will give the conquertoning isnry's deficate fleath freche for the duties his rank entailed upon him, and for the last three years he spent most of his time cruising in the Mediterranean and along the Norway coast. Still unbenefited, he sailed in his l people the semblance of local selfwernment without opposing any seriis obstacles to the carrying out of Imrial designs. A cable despatch says
int an Imperial decree of October 29
tablishes the Representative Assembly
Alsace-Lorraine, and fixes its duties

A condition of Mr. Duncan to make the banker's house his home.
From that time he failed very rapidly, and for three weeks previous to his death was id powers. It "will express its views

ssembly will be composed of ten legates from each District Diet, be elected for three years. The mperor reserves the right to fix the New York, has made a depation of \$100 me and place of the sittings of the Asmbly, which will be private. The He has signified his intention of putting overnor of the Provinces will be en-tled to demand a hearing, and to assist of the Rolls. It is also proposed to put person or by representative at the sit- in another in memory of the late Rev. ngs of the body. The Assembly, in T. C. Leaver. e minority" This Assembly will corded more weight than those of the t. John Common Council on the Reordership. This Assembly must beome an object of ridicule to the people

hom it is supposed to represent, and ill not be found of much service in the overnment of the Provinces. Royalty has its dangers as well as its mors, and those who gain thrones ten lose their liberty. A French lawr named Orelie Tounens, ambitious exchanging his felt hat for a crown, ot himself elected King of the Pataonians. Then, feeling that neither imself nor his kingdom would be reected or talked of abroad unless itagonia had a national debt, he went Paris for the purpose of raising a an. As he started to return to Pataonia we presume that he succeeded in lling some bonds, for he would hardly ive ventured back with empty pockets ut his ship was seized by an Argentine an-of-war, and he was imprisoned as gusted.

usurper, the Argentine Republic aiming jurisdiction over Patagonia. number of French Deputies have oreign Affairs, to interfere for the proection of King Orelic I. The Government papers steadfastly or that Mr. Burpee is going to resign is seat in the Cabinet and take Hon ohn Robertson's seat in the Senate. nt it is to be noticed that they don't give

ir. Burpee as their authority. Their enials merely express their own opin- gretfully of bygone days. The new English wife of the renowned ns, and many people will hold opinions irectly contrary to theirs until a more P. T. Barnum is described as apparently athoritative denial has been given the lady of arishills and looking like a athoritative denial has been given the imor.

about 24 years of age, and looking like a lady of amiability and refinement. She is short in stature, inclining to embon-point; blonde complexion, features of a pare English type, eyes blue, hair a golden brown, profile decided and regular.

Since that time Mr. Jones, in a letter to be a contemporary states that Mrs. Siddons olice courts, not as a prisoner, but as a undent of depraved human nature. Under Grant the number of Federal Micholders has increased from 54,207 to in animals, but an Altoona man swears for the fifth and sixth of November. On 203 ft. 9in., breadth 39ft. 3in., depth 24
