FRY'S Cocoa—Every Drop is Nourishment

Dr. Andrew Wilson, the eminent British authority, once said of the cocoa bean—“It is a kind of vegetable egg which contains all that is needed to build up a living body.” Tea and coffee are mere infusions—but cocoa is an actual food in itself. Elderly folk should remember that. Cocoa, made the FRY way, from a selection of the world’s choicest cocoa beans, is pure, extremely soluble, and of delicious aroma and flavor. Nearly two hundred years’ experience and knowledge of the cocoa business stand back of FRY’S.
