The transfer has been OK'd by
the Col. of the Seafoths here and has
been sent to the Dept of Defense at
Ottawa for approval.

I wonder if you would help me by
writing a letter to the Chief Ordnance
Officer ^{OR TO THE OFFICER WITH HIGHEST AUTHORITY} at Ottawa and recommending
that this transfer be put through?
This might save a deal of delay.

I was 3½ years with the Ordnance
Corps during the last war and am
very anxious to get back. The
Ordnance Officer here, Mr. Hutton
says he will be glad to have me.
