Ottawa, October 1, 1914.

Rev. Sir,-

With reference to that portion of your report on the Kitamaat Indian Day School in which you state that Miss Clarke, the teacher of this school, would like to have small organ, as it would be a great help in teaching singing and performing the calisthemic exercises, to replace the one which she formerly used and which is to be moved into the new church, I beg to say that the Department regrets that it cannot comply with this request, as it does not supply such instruments to its schools.

Your obedient servant,

Asst. Deputy and Secretary.

Rev. R. H. Cairns,
Inspector of Indian Schools,
