Was this discussed between Boyer + Doe - I think so. Doe asked Boyer if he had sold it and Boyer answered you might say I had sold it. From the discussion did you gather that Boyer in his statement was saying the revolver was not sold, but was left as secret - that was my impression.

Was it customary for ~~the~~ Boyer to be armed when drawing supplies - Yes  
Would the R.A.M.C. have a rifle - Yes  
Could he buy a pistol on prepayment - I am not sure but think he might.

Are you familiar with S.W. pistol numbers  
No except as they are listed on the sheets.

Can you identify the exhibit 1 - No

The S.W. is not the ordinary issue - No

Produced by the def officer as exhibit  
by - AF 9520 - identified by Capt Miller as vouchers from Ordnance Stores Crookham authorizing transfer of 3 pistols to 3 lice bn. Markings 709512 put on ~~the~~ vouchers after case came up.

Does Boyer had permission to carry a
