

Be it therefore enacted by the Municipal Council of the Corporation of
and it is hereby enacted as follows:—

1. * All the powers and authorities conferred upon or vested in the members of the said Municipal Council by any statute of the Legislature of this Province as Health Officers of the said Municipality shall be vested in and delegated to a Committee of such persons as the Council shall from time to time, by By-law, appoint; the members of the said Committee to be Health Officers, and the said Committee to be called the Board of Health for the

2. The Board of Health so constituted shall employ such subordinate officers, agents and assistants as it may deem necessary, and may, subject to the approval of the Council, fix the compensation to be allowed them; but the whole amount of such compensation shall not exceed the sum appropriated therefor by the Municipal Council.

3. It shall be lawful for the Board of Health, with the concurrence of the Municipal Council, to appoint a Medical Health Officer, to hold office during pleasure for this Municipality [or to appoint such officer in conjunction with the Municipalities of and], whose duty it shall be to assist and advise as required by the Board of Health or its officers in matters relating to public health, and to superintend, under the direction of the Board, the enforcement and observance of Health By-laws or Regulations, and, if thought advisable by Boards of School Trustees, to act as Medical Inspector of Public, Separate and High Schools, as well as advisory officer in matters pertaining to school hygiene, and to perform such other duties for the preservation of the public health as may in his opinion be necessary and in accordance with the Public Health Acts. He shall also present to the Local Board of Health before the fifteenth day of November in each year a full and comprehensive report and review of the sanitary condition of the Municipality.

4. It shall be the duty of the Chairman of the Board of Health to present to the Municipal Council before the first day of December in each year a report containing a detailed statement of the work of the Board of Health during the year and the report of the sanitary condition of the Municipality, as rendered to him by the Medical Health Officer. A copy of each such report shall be transmitted by the Clerk of the Municipality to the Secretary of the Provincial Board of Health.

5. It shall not be lawful for any person within the said Municipality to permit or suffer the accumulation upon his premises, or to deposit or permit the deposit upon any lot belonging to him, of anything which may endanger the public health, or to deposit on any public street, square, lane, or on any by-way in front or in rear or alongside of his buildings or premises, or in any pond, creek, river or running stream any manure or other refuse or vegetable or animal matter or any other dirt or filth.

6. It shall be the duty of such person as the Board of Health appoints to perform the duties of Sanitary Inspector, to keep a vigilant supervision over all said lanes, by-ways, lots or premises upon which any such accumulation as aforesaid may be found, and

* It is recommended that in order to secure the greater efficiency of such Local Boards the method pursued in Great Britain be adopted, namely: that members shall continue in office for three years, one third of the Board retiring each year. The Committee may be composed in whole or in part of members of the Council, or of persons who are not members thereof.
