

## Kennedy Shorthand School

The school for the making of expert stenographers; a school vastly superior to business colleges.

It is the only school which TEACHES typewriting. The CHAMPION OF THE WORLD is one of our pupils. She uses the "new typewriting," originated and perfected by us. She learned it under the personal direction of the author, Chas. E. Smith, who is the head of our Typewriting Department.

Our fees are moderate, but if we charged twice as much as other schools it would still pay you to attend the Kennedy School. It is the only school good enough for you if you want the best. Our interesting booklet about the school will be sent free at your request.
