EXCELLENT BOOKS!

A Sketch of His Life and Miracles.
From the French by Miss Mary McMahon. Cloth. With Portrait.
This sketch of the great modern Apostle of Charity, in whose favor so many miracles have been wrought, has met with universal praise from the Catholic press of this country. It is a portrait of a man of God whose life is spent in founding schools and implanting religion in the hearts of the homeless and supplying the place of their natural protectors. Young and old can read the simple recital with profit, and finding in it the true exemplar of manhood, have their ambition and enthusiasm directed to their own exaltation and the glory of God.

Old people like it for its wonderful power to restore to their whitering locks their original color and beauty. Middle-aged people like it because it prevents them from getting hald, keeps dandruff away, and makes the hair grow thick and strong.
