The Han S Creelman, Financial Secretary, ately returned for Colchester, took the oath of allegiance and resumed his seat.

So far only have appeared in the Press the Notes of the Reporters, save the lengthy discusnon on the E estive Council, which still rolls its slow length along."

The Railway Charter Bill is made the order of he d y for l'uesday next

The Telegraph Bill has had its final reading in he Lower Branch-it may not perhaps meet with o cordeal a reception in the Upper, but we can hardly anticipate resistance to the will of a very arge majority of the Representatives of the peo de. The Revenue has also undergone its usual evision - and with no material afteration; the most important is the removing the duty on Canada Flour, imported by way of the United States, a boon to the Western section of the Province.

Consumption prevails as matters are, and picks off the best and prettiest of us, in our prime. In this state of things we must do the best we can, piece and patch up the web of life, with journeys, voyages, and medicines. Of all the medicines we know of, Dr. Wistar's, "BALSAM OF WILD CHERRY" is what we first recommend. We have in our office a living proof of its efficacy, who, but for it, would have been beneath the sod long ago. The inventor of this medicine, Dr. WISTAR, was a man of science, of humanity, and undoubtedly prepared the remedy in its best form, and the public may rely upon Mr. Fowle for the genuine article.

TO FAMILIES.

From the great usefulness of this medicine the propriefor would respectfully recommend it as a general FAMI-LY MEDICINE, and sidvise every family to keep it constantly by them, as it will not only be found much superior to the Cough Mixtures in common use, but likewise much more safe for either children or adults.

It not only eman tes from a regular physician, but has a'so been well tested in all the complaints for which it is recommended. It is not my intention, therefore, either to cloak it in mystery, or in any way deceive the public by overrating its virtues; on the contrary I shall simply endeavour to give a brief statement of its usefulness, and flatter myself that its surprising efficacy will enable me to furnish proofs of its virtues, as will satisfy the most incredulous, that consumption may and "CANIE CUR-ED," if this medicine be resorted to in time.

Be careful and get the genuine DR. WISTAR'S BAL-SAM OF WILD CHERRY. None genuine, unless signed by I. FUFTS. Add.ess all orders to SETH W FOWLE, Bostony Mass.
