REFRESH YOUR SUNDAY SCHOOL LIBRARY With good books that are Cheap.

Fifty Volume Library

SELECT BOOKS FOR THE CHILDREN OF THE CHURCH THIRD EDITION.

These fifty volumes are books of unexceptionally religious character, inculcating pre-eminently the truths of Scripture and the Doctrine of the Church. Before publication each book was carefully examined by either a competent committee of clergymen, or by critical readers friends of the publisher.

The cost of the new price of the volumes is \$38.40. The set is offered at the low price of \$20.00, from which there is no discount. There are over 10,000 printed pages in the library.

The books, with a few exceptions, are all illustrated, are handsomely and strongly bound in muslin, with ink and gold stampings. Each set is uniform in size and colour, and is put up in a substantial wooden case, with 25 catalogue included.

Considering the size and character of the books, the publisher confidently commends the set as being well suited to the present demand for good but cheap books.

No Sunday School should be without a library when one can be got at a price so low and of a quality so excellent. Church Guardian.

The books have been examined by competent persons, and are free from the sentimental nonsense and insipid twaddle that for the few years has characterized so many books for children. We most cheerfully endorse the books. Kentucky Church Chronicle.

Bishop Morris writes: "The books have been examined by a good judge, and pronounced good selection, making a very useful library."

ALSO Whittaker's Cheap Library, No. 2

40 Select Books

FOR THE Children of the Church.

N. B.—None of the volumes in this new series are contained in the "Fifty Volume Library."

The publisher in offering his Cheap Library No. 2, begs leave to call the attention of Sunday School workers to the interesting and profitable character of the books contained therein. As in the Fifty Volume Library each book has been read and approved by competent critics. The authors alone are a guarantee of excellence in point of literary merit at Church teaching.

The set embraces works by Lucy Elie Guernsey, Hester Stretton, Sarah Donney, Mrs. F. Burge Smith, Mrs. Sheppard, L. T. Meade, Geo. Macdonald, A. B. P., the Rev. George W. Shinn, "E. M." Charles Erace, and others.

It contains nearly 8,000 pages, and with few exceptions, the volumes are illustrated, all are strongly bound in muslin, with ink and gold stampings. The set is put in a neat wood case, and is offered at the low price of \$18.50 (from which there is no discount), the regular retail price being \$32.75. Twenty-five catalogues are included in each set.

No Sunday School should be without the sets when the quantity is so much and the quality so excellent.
