Strange Invention!

NEW APPARATUS
A Blessing to all Humanity

Probably the most important invention of recent years is the

Allen Portable Bath Apparatus

Millions have been made happy by its use. No more farm, town or city homes need be without a bath room. Many people are still using crude bathing appliances, such as a bowl, basin or bucket, wash rag or sponge as they did hundreds of years ago. Some are also using a wash tub. Why not bathe in comfort as well as live in comfort and use the ALLEN PORTABLE BATH APPARATUS.

See how simple and easy it is to use. Place metallic non-corrosive fountain on a wall or shelf, fill with water, turn the screw—THAT'S ALL—whereafter it works automatically. A bath hot or cold in one operation; FIVE MINUTES TIME, your skin constantly flushed with CLEAR-RUNNING WATER, pores opened, cleansed, invigorated by hundreds of little, soft SELF-CLEANING TEETH working gently.

CLEANSING, FRICTION, MASSAGE, SHOWER BATH, ALL IN ONE same time. What a

pleasure! And no tubs to clean afterwards. This is NO EXPERIMENT. It is used and praised by thousands.
