

THE SHADOW OF POOR HEALTH

Dispelled Through the Use of Dr. Williams' Pink Pills.

When the shadow of poor health falls on your life, when hope begins to fade and friends look serious, then is the time you should remember that thousands just as hopeless have been cured and restored to the sunshine of health by Dr. Williams' Pink Pills. These pills actually make new, rich blood which brings a glow of health to anaemic cheeks, cures indigestion, headaches and backaches, drives out the stinging pains of rheumatism and neuralgia, strengthens the nerves and relieves as no other medicine can do the aches and pains which only women folk suffer from. In any emergency of poor health give Dr. Williams' Pink Pills a fair trial and they will not disappoint you. Here is a case that will bring hope to many a weary sufferer. Mrs. F. K. Sanders, St. Thomas, Ont., says: "About four years ago I took a severe cold which I neglected, thinking that I would soon be all right again. But instead I found myself in a weak and run-down condition. I seemed to have no ambition to do anything and my heart and nerves became so bad I was forced to bed. The doctor who was called in said the trouble was chronic anaemia, but in spite of all his skilled attendance I was unable to sit up and eat, but had to be fed with a spoon. One day a visiting friend suggested my trying Dr. Williams' Pink Pills, and I sent for a half dozen boxes. In a short while I began to feel better and feel better, and by the time the pills were used I felt altogether different; my heart did not bother me, my lips and cheeks regained their natural color, and everybody who saw me remarked on how well I was once more looking. Wishing to be on the safe side, I took two more boxes of the pills, which made a complete cure, as I have had neither ache nor pain since, and I now weigh 146 pounds. I always recommend Dr. Williams' Pink Pills, and I hope that this letter may be the means of suggesting relief to many of my sisters who suffer as I did."

Sold by all medicine dealers or sent by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

STRANGE BURIALS.

Male Members of Chinese Family Dig the Grave.

The many curious customs of the Chinese have been a constant source of wonder and amusement to the foreign tourist in China. By far the oddest but most impressive of their ceremonies is the burial rites of their dead. The Chinese hold their dead in high esteem and shower honors upon their memories by burning incense and candles daily. They also honor their relatives who have died many years before.

As soon as a Chinaman dies the male members of the family are busy digging the grave, while the women folk, assisted by the professional mourners, do the wailing.

The grave is half under and half above the ground and is enclosed by a crescent-shaped wall about two feet high. Another thing to be prepared for the dead is a miniature house, which is provided with miniature furniture. The idea is to provide the deceased with all the comforts of a home in the regions where he is going. An image of the deceased, together with drinkables and eatables and money, is placed on the coffin the day of the funeral.

The image is not buried, but is burned in the presence of the mourners, who during the process shriek and make the most frightful noises. This is to drive out the evil spirit with which the dead man is supposed to be possessed. When the funeral services are over the mourning banners are taken home and used as ornaments on the bare whitewashed walls of the room. The more the banners the greater the honor paid to the dead.

MOTHER'S PRAISE FOR BABY'S OWN TABLETS

Every mother who has once used Baby's Own Tablets readily admits that there is no other medicine to equal them. They are a never failing cure of all stomach and bowel complaints and many a precious little babe owes health and even life itself to their use. Concerning the Tablets Mrs. Fred Dove, Broadview, Sask., writes: "I have used Baby's Own Tablets for my little girl and have found them of such great benefit I would not be without them. They are truly a wonderful remedy for little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"Why does your new baby cry so much; but I've found out that he's were out, your hair off, and your legs so weak that you couldn't stand on them. I rather fancy you'd feel like crying yourself."

Internally and Externally it is Good.—The crowning property of Dr. Thomas' Electric Oil is that it can be used internally for many complaints as well as externally. For sore throat, croup, whooping cough, pains in the chest, colic and many kindred ailments it has curative qualities that are unsurpassed. A bottle of it costs little and there is no loss in always having it at hand.

THEY ACT QUICKLY AND ALWAYS CURE

POSTMASTER TELLS OF QUICK RELIEF DODD'S KIDNEY PILLS GIVE.

Two of them taken before going to bed clears away his Pain in the Back—Why they always cure more serious Kidney Diseases.

Buck Lake, Ont., Nov. 20 (Special).—How quickly Dodd's Kidney Pills relieve pain in the back when taken in time is evidenced by Mr. James Thomas, the well-known and highly respected postmaster here.

"I wish to inform you that I always find relief for pain in the back by taking Dodd's Kidney Pills," says Postmaster Thomas. "Sometimes in the mornings I cannot straighten up for hours, but if I take two Dodd's Kidney Pills before going to bed the pain all disappears and I have no trouble in the morning."

Dodd's Kidney Pills act directly on the Kidneys. Where pain in the back is caused by slight Kidney disorders the pain is relieved at once. Where the complaint is of longer standing and the Kidneys are diseased the cure takes longer, but Dodd's Kidney Pills never fail. Thousands of Canadians tell of the cure of Kidney Disease of all forms, from pain in the back to Bright's Disease, by Dodd's Kidney Pills. There is not on record a single case of Kidney Disease or of diseases resulting from diseased Kidneys, such as Rheumatism or Dropsy, which Dodd's Kidney Pills have failed to cure if taken regularly and according to directions.

A HOLE FOR A HOLE.

Little Donald had a penny given him to buy whatever he pleased. His three years of dignity thus had a new impulse thrust upon him. He decided to visit a bake shop, and doughnut was his choice. In a lusty voice he called for one and immediately passed the penny to the shopkeeper.

"See here, my boy," said the man, "this penny has a hole in it. I don't know as I can take that penny."

"But the doughnut has a hole in it," Donald responded, and he got the doughnut.

"Oh, mamma," said little Lola, "I've got an awful pain. Won't you please give me some of that medicine with sugar in it? Quick mamma, before the pain goes away."

THE MISSING DUCKS.

In an English police court a man was brought up by a farmer accused of stealing some ducks.

"How do you know they are your ducks?" asked the defendant's counsel.

"Oh, I should know them anywhere," replied the farmer, and he went on to describe their different peculiarities.

"Why," said the prisoner's counsel, "these ducks can't be such a rare breed. I have some like them in my own yard."

"That's not unlikely, sir," replied the farmer; "they are not the only ducks I have had stolen lately."

"Call the next witness," said counsel.

ARE YOUR HANDS CHAPPED?

Zam-Buk Will Cure Them.

The particular danger of chapped hands and cold cracks (apart altogether from the pain) is that the cold is likely to penetrate and set up inflammation, festering, or blood-poison. Directly the skin is broken by a cut, graze, or scratch, or chafed and cracked by the action of the cold winds and water, the one necessary precaution is to apply Zam-Buk freely.

The pure herbal juices from which Zam-Buk is prepared are so perfectly combined and refined that the immediate effect of these Zam-Buk dressings is soothing, antiseptic, and healing.

Mrs. O. M. Phoen, Neuchâtel, Alta., writes:—"I must tell you how pleased I am with Zam-Buk. My husband had an old frostbite on his foot for many years, and had tried almost every known remedy without any effect, but the first application of Zam-Buk seemed to help him so much that he persevered; and the sore is now cured. We would not be without Zam-Buk in the house."

Zam-Buk is also a sure cure for piles, eczema, ulcers, abscesses, scalp sores, blood-poison, bad leg eruptions, etc. Its purely herbal composition makes it the ideal balm for babies and young children. All druggists and stores sell Zam-Buk 50c. box or post free from Zam-Buk Co., Toronto, for price. Try also Zam-Buk Soap, 25c. tablet.

A ROBBER'S REAL TERROR.

The only really satisfactory burglar alarms are living ones and the best of all is a crying baby. No man will enter a house or remain in one if he hears a baby crying, for the simple reason that he knows that some one will be about. The small dog, we may add, is also a burglar alarm, and there is a story told of Sir Walter Scott and a burglar. The author of "Waverley" had defended a veteran cranksman and in gratitude he gave his counsel a little advice. "You are a rising sun, but I am going down. The best way to frighten housebreakers is to have a small dog about. He'll always be on the alert and is better than the ordinary watch-dog."

"Mabel, you were foolish to quarrel with Charley." "He's a mean man." "What has he done now?" "I telephoned him to-day to send back my lock of hair, and he asked me if it was red, yellow or black."

THE BAIT.

"John," said Mrs. Brown, sitting up suddenly in bed, "there's a burglar in the place!"

"Nonsense!" replied her husband, drowsily.

"I'm quite right," she returned. "I can hear him distinctly crossing the floor of the room below. Now"

—excitedly—"he's lighting one of those cigars I gave you on your birthday. I heard him pick up the box and put it down again."

"Then John sat up and listened." "By Jove, Marv, you're right!" he answered. "He is! He's actually smoking one of those—er—those cigars."

Then he nestled once more comfortably beneath the blankets.

"Go to sleep again, Marv," he said, complacently. "We'll find the poor wretch in the morning!"

HADN'T THE TRAINING.

When Josephine was six years old she was taken for the first time to see a trained-animal show, and came home much pleased with the performance. As she was at times slow to obey, mamma thought this a good time to teach her a lesson, so she said:

"Don't you think, Josephine, if dogs and ponies and monkeys can learn to obey so well, that a little girl like you, who knows much more than the animals, should obey even more quickly?"

"Of course I should, mamma," came the instant reply, "if I had only been as well trained as they have."
