CREDIT RATES OF PREMIUM.

THE great and decided success which has atL fended this institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary
Ruropean Rates. The result of such Reduction
is to enable parties to avail themselves of the important benefits to Life Assurance at much louer
Rates of Premium than those of any other Assurance Company t. ansacting business in Canada.

The Directors have also resolved to extend to
British North America the advantages afforded
by the HALF CREDIT RATES of PREMIUM
which have been so highly approved, and are de which have been so highly approved, and are do generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by see or land, to other parts of North America without affecting their Interest in their respective Policies.
