

EVANGELIST CAMPAIGN OPENED LAST EVENING

Dedication of Tabernacle Took Place With Many Clergymen of City in Attendance—Hanley-Fisher Party Arrive in City Today

Evangelist Take One Week of manual effort, and months of organization by workers from 23 Protestant churches in the city, culminated in the opening and dedication of the tabernacle on the government property on Brant Ave. last night. In this huge frame structure the evangelistic meetings for the next five weeks will be conducted by the Hanley-Fisher party, who are expected to arrive to-day, and if the gathering at the initial meeting last night is an indication of the interest that will be displayed for the duration of the campaign, the results will well repay the energetic workers for their earnest efforts.

Although the dedication service was scheduled to commence at eight o'clock, the crowds began to file into the building at an early hour, and by the appointed time the seats were well filled. A massed choir of over a hundred voices, and an orchestra, under the direction of Mr. Clifford Higgin, led the singing. W. H. Whittaker, chairman of the campaign committee, presided and on behalf of the twenty-three Protestant churches of the city, welcomed the gathering to the tabernacle and extended a cordial invitation to all citizens to attend the meetings that will be held. He was confident that this campaign would prove one of the most potent Christian movements that had ever affected the city of Brantford. The work thus far was a substantial testimony to the ability and Christian service of Mr. John Hanley and his able corps of assistants who had been responsible for the construction of the tabernacle. The speaker outlined briefly the many

factors that would enter into the success of the undertaking, and referred to the different departments that were presided over by capable men. Mr. Whittaker described the work that had been accomplished in this connection and proclaimed prayer as the foundation and basis of the entire campaign. He hoped that all would continue to pray in confidence. The purpose of the organization promoting the campaign, was to extend the glory of God and advance His Kingdom in this city and community. The object was to broaden the minds of all women and children who came into contact with the services and to exert an influence that would result in many souls being born again in the Kingdom of Christ. The chairman announced that the first regular service would be held next Sunday evening and that for the balance of the campaign in all the twenty-three churches interested, the evening services would be discontinued, and only the morning services held. The Sunday Schools, beginning to-morrow would convene at half past two instead of three o'clock as formerly.

A. K. Bunnell briefly addressed the gathering on what will be foremost in the minds of all loyal citizens for the next few weeks—the Canadian Victory Loan. The cry from our boys overseas, from the nations that had been ravished by the Hun barbarians, and from the Motherland was for finances. Sir Thomas White, Minister of Finance required \$1,000,000 per day to finance Canada's share of the war, and if the struggle was to be successfully prosecuted the \$150,000,000 asked for in this loan must be forthcoming to insure the industrial, commercial and agricultural stability of the Dominion.

Dr. Henderson, of the Wellington Street Methodist Church, in a brief but appropriate address, formally declared the tabernacle opened and handed over the key to the chairman, W. H. Whittaker. The Rev. Llewellyn Brown, president of the Brantford Ministerial Association, led in the dedication prayer.

The Rev. D. E. Martin, who has been in charge of the cottage prayer meetings, stated that the motto, "Prayer Changes Things," was most certainly true of the series of meetings that had been held throughout the city. It was the natural impulse and instinct of human nature to pray and a splendid opportunity of turning toward God had been presented by the opening of the tabernacle. For the duration of the campaign the evening meetings would be eliminated and the morning meetings held on Tuesdays and Thursdays each week.

The Rev. G. A. Woodside spoke on personal work. He was confident that the fruits of the campaign would be forthcoming if all energies were directed toward success and no effort was spared by each individual in "doing his bit." Here was an opportunity of improving the foundation of our national life, and he made a strong plea to his hearers to avail themselves of the opportunity thus presented.

"Are we Christians ready for the opportunity?" he asked. "Are we equal to the greatest challenge that has ever been offered to Christian Brantford?"

The Rev. Mr. Logan emphasized the absolute necessity of co-operation. He explained what an important factor harmony "pulling together" would be in the weeks that are to follow. It would assure the success of the enterprise.

The Rev. Mr. Emmett, organizer for the Hanley-Fisher party, was quite confident that the campaign would be one of the most successful events in the history of Christian Brantford. He emphasized the need of clearing financial obligations within the first ten days. He appealed to all to bend every effort toward bringing to the Cross the lost men, women and children of the city and district and announced that the prayer meetings would not be discontinued, but that they would be continued with even greater interest and on a wider scale than before. The evangelistic party would arrive to-day and he declared that while on their part no effort would be spared, the aims and objects of the organization bringing them here could only be achieved by the united and earnest effort of everyone interested.

Mr. Harley Fisher Evangelist party which arrives in Brantford to-day are well-known in Ontario, having spent last winter in western Ontario towns. Splendid permanent results followed this work, in St. Thomas, St. Mary's, Sarnia, Windsor and Kingsville. In these places they made thousands of friends by the ability of every member of the party, coupled with the soundness and the sanity of their methods. The city is splendidly organized under the leadership of Rev. E. H. Emmett who has been in the city for the past three weeks superintending the building of the tabernacle organizing the neighborhood prayer-meetings and a thousand details with fine business ability and courtesy. The ushering music and personal work committees are all well organized and waiting anxiously to begin this work. The plan of campaign has been hammered out on the anvil of experience and is no longer an experiment. Each worker has a definite task and there is no confusion all the varying types of men find work to do. It speaks well for the success of the campaign that all the ministers and their churches co-operating are absolutely united in this work. It is

a definite plan for a definite task namely the making known of God's wonderful love. The personnel of the party is as follows:

 Rev. Joe R. Hanley, D.D., is a product of the State of Iowa. He is a graduate of the State University, having the degree of L.L.B., from that institution. He is a lawyer by profession, being admitted to the bar, and having practiced in both the State and Supreme Courts. He was a volunteer soldier under Gen. Hugh Lee in the Spanish-American war. For the past ten years Dr. Hanley has devoted himself to the pastoral and special evangelistic work. As a Christian minister and lecturer on the Chautauqua platform he is an unqualified success. He is a safe and sound preacher of the Gospel, and his work is devoid of the objectionable features in so much of the evangelistic work of the present day.

The Rev. E. I. Emmett is widely known in the eastern part of Ontario and in California, U. S. A. where for a number of years in the pastorate in evangelistic work and in the Los Angeles Young Men's Christian Association he established his reputation as one of the best known organizers and ministers. At the urgent request of the Rev. William A. Sunday (Bible Sunday) Mr. Emmett agreed to spend two seasons, organizing Mr. Sunday's work. For the duration of Mr. Emmett's supervision that the cities of Philadelphia, Pittsburgh, Des Moines, Paterson and Denver were organized. After completing his contract with Billy Sunday, Mr. Emmett felt the strain of the work and decided to associate himself with a company of evangelists who were doing just as good but smaller work.

Prof. F. G. Fisher is without a peer in the realm of evangelistic effort. He is a thoroughly skilled musician, and with his choir is regarded as an opportunity that many would be willing to pay for. For more than ten years Prof. Fisher led "Billy Sunday's" choir, and Mr. Earl Voles comes from Detroit through the genial disposition and skillful handling of the audiences on the part of Mr. Fisher that Mr. Sunday became so well and favorably known. The coming of Mr. Fisher to Brantford affords the musical pupils of the town an exceptional opportunity to come under the best obtainable leadership.

Mr. Earl Voles comes from Decatur, Ill. He is a student of the Illinois University, who has given a great deal of time to the study of music. The coming of Mr. Fisher to Brantford affords the musical pupils of the town an exceptional opportunity to come under the best obtainable leadership.

Miss Mary A. Robertson is a sister-in-law of Dr. Hanley, and her special work is among the women and high school girls. She is a graduate of the High School and University, and is regarded as exceptionally successful in her efforts. She is a fluent speaker and conducts special meetings for women and girls while Dr. Hanley addresses the men.
