orite occupation at the hospitals, and the amateur jewellers are real artists in their choice of form and color. They make long, shell-like beads out of colored paper, magazine covers generally. They cut this into cone-shaped strips, which they roll tightly round a hat pin—later the men shellac the beads and this gives them almost a china effect. The solution men shellac the heads and this gives them almost a china effect. The sol-dier patients have become experts at this work, and very artistic re-sults have been achieved. One sol-dier in the Grey Nunnery became so adept that he made nine necklaces in a day

TRUSTS AND GUARANTEE HAS PROSPEROUS YEAR

Large Increase in Assets Under Administration Shown in Annual Report.

Assets under administration by the Trusts and Guarantee Company, Limited, were shown, in the twenty-first annual report presented to the shareholders by President James J. Warren at the annual meeting on Friday last to amount to almost \$17,000,000. The sum represents an increase during the year of more than \$1,250,000, an evidence of most gratifying growth and of the public's confidence in the institution. The chief gain is exhibited in the guaranteed trust and estates and agency funds under the care of the company. Guaranteed funds entrusted to the company for investment are in expense. ompany for investment are in exthen \$500,000 for the year.

The surplus available, after discursement of the usual dividends, was redied to profit and loss or reserve

The meeting was the first to be held in the company's new building on Bay street and was a satisfactory one in all respects.

Votes of thanks were extended by the meeting to the board of directors. The advisory board to the Alberta dvisory board to the Alberta
