CONGRESS
RESUMES

Summer Recess in Effect
Since July 14, Ended
Yesterday

By Courier Leased Wire
Washington, Aug. 20.—The sum-
mer recess of Congress, which began
July 14, practically ended today.
The House resumed its regular ses-
sions in accordance with the recent
agreement, while in the senate an at-
tempt was to be made to set aside
the unanimous consent agreement un-
der which the senate is bound to
conduct no business until August
1. In order that the Administration
Man Power bill, extending the draft
age limits to 18 and 45 years, may
be taken up Thursday.
Absence of many senators from
Washington made doubtful the ob-
taining of the quorum necessary to
set aside the recess agreement. In-
ability to vacate the agreement to-
day would postpone until next Mon-
day at least action on the man power
bill.
Interest in the sessions of the two
houses to-day centered in the open-
ing hearing of the house military
committee on the man power bill
with Secretary of War Baker, Gen.
March, chief of staff, and Provost
Marshal General Crowder expected to
appear. Chairman Dent of the com-
mittee has announced that five war
department chiefs will be heard in
open session.
The water power development bill
holds the right of way in the House
and Representative Ferris in charge
of the bill, was expected to ask that
the measure be passed, if possible
while the house awaits the commit-
tee report on the man power and
revenue bills.

Riots in Petrograd.
London, Aug. 20.—Hundreds of
people were killed and wounded in
a regular battle between Lettish
guards and rioters during food dis-
orders in Petrograd, according to
an Amsterdam dispatch to the Ex-
change Telegraph Company. The
dispatch, which quotes Petrograd
advises by way of Berlin says that
after the city had been without food
for two days a procession of work-
men marched through the streets
shouting, "down with the Germans;
down with the Kremlin! The battle
between the Lettish and the Lettish
guards occurred before the Smolny
Institute. Martial Law was pro-
claimed in Petrograd the same even-
ing.

Czech-Slovak Manifesto.
Washington, Aug. 20.—A mani-
festo issued by the newly formed
Czecho-Slovak national committee in
Prague has reached the Czecho-Slo-
vak national council here. In the
manifesto the program and the na-
tional committee is outlined and
the main points are:
The untiring and co-ordinating of
all the forces of the Czecho-Slovak
nation for the realization of the
national aspirations and a call to all
Czecho-Slovaks to rally to the strug-
gle for liberty. The manifesto ex-
presses its confidence in the out-
come of the fight and the fact that
by their own strength the Czecho-
Slovak people have risen from the
grave of centuries and by their own
strength will place themselves in
the light of the world in the com-
pany of free nations of the future
liberated and civilized mankind.
The leading journal of Prague,
Narodni List, suppressed by the gov-
ernment, not only also has re-
appeared and a dispatch to-day says
it's comment on the manifesto is:
"While the Reichsmacht is near
dissolution the Czechs again have
their parliamentary body which will
decide the destinies of the nation."
It adds that while Austria is ripe
for destruction, should she collapse
the Czechs again have their gov-
ernment on hand to aid and counsel for
patience for a few months.

WILSON RETURNS
By Courier Leased Wire
Washington, Aug. 20.—President
Wilson returned to Washington this
afternoon after his brief vacation on
the Massachusetts coast, as the guest
of Col. E. M. House.

NOW FIGHTING

(Continued from Page 1.)

the evening of the following day two
came in.
"Where have you garrisons
been?" was the enquiry.
"We did not understand the
patrol was to retire," came the
reply. "We understood we were to
penetrate behind the enemy's lines
to his artillery position and here
you are," throwing down the
shoulder strap and cap badge of the
artillery commandant. Others of the
party trickled in during the night."
Salisbury Herald remarks that
there is no use talking to a certain
Brooks farmer about the drought
and had crop years, as any fellow
that can grow a \$24,000 crop of
alfalfa on 142 acres of Alberta land
in a dry year doesn't have to worry.

SITUATION

New York, Aug. 20.—The Associa-
tion Press to-day issued the following
bulletin: It was in the region
German lines from Soissons north-
ward to the Somme and in the
Flanders sector continues.

FRENCH TAKE VASSENS
The northward advance of the
French has occupied the village of
Vassens, which is on the westward
bank of a small stream which flows
into the Oise River at Morlain, a
town to the south-west, which was cap-
tured by the French yesterday.
Further north in the mountain-
ous region between Lassigny and
Dresincourt, reciprocal artillery fire
is reported. It was stated that
the French debouched from
Thiescourt forest yesterday and also
captured the village of Pimpre on the
Oise above Ribecourt.
It is clearly a battlefield the
Germans have been launching re-
peated counter-attacks against the
British line in the region southeast
of Chilly, which is north of Roye.
These assaults were repulsed by the
British.

SALIENT FLATTENED.
The old Lys salient is being rap-
idly flattened by the German retire-
ment from the extreme westerly po-
sitions held by them after their April
offensive. The British official state-
ment shows that the line now runs
from Marle, on the north, to the
vicinity of Lecon, on the north, leav-
ing a large triangle abandoned ter-
ritory in the direction of St. Venant,
which has been occupied by the Brit-
ish.

NANCY BOMBED.
German airmen have again bom-
barded the city of Nancy, according
to the official report from Paris. Six
of the civilian population were killed
and a score wounded.

RIOTS IN PETROGRAD
Terrible riot riots have occurred at
Petrograd, according to reports
reaching Amsterdam by way of Ber-
lin. It is stated that hundreds were
killed and wounded during a battle
between rioters and Lettish guards,
which are the main support of the
Bolshevik regime, according to re-
cent reports. It is stated that mar-
tial law has been proclaimed by
Petrograd.

ONTARIO STILL LEADS.
The Military Service Act Has Received
Loyal Support.
As the Province of Ontario was en-
thusiastic for the Military Service
Act, the citizens of the province have
done their duty to the full under the
act. It will be remembered that the
act called for 100,000, and that these
were allotted in proportion to the
population without considering what
the various provinces had done under
the volunteer system. Ontario went
right at the new task, and it was an-
nounced several weeks ago that the
Ontario Military Districts, like some
of the districts in the West, have
already filled their allotments and
are continuing to draft men. If the
eastern districts had done as well,
the full quota of 100,000 men would
now be in uniform, but as the east
has not done so, Ontario still con-
tinues to show her metal. According
to the last figures supplied, Ontario
has given 26,000 men to the mili-
tary service act as compared to 8,000
from the Province of Quebec. Great
interest was recently aroused by a
statement regarding this matter
made by Lt.-Col. H. A. Machin, direc-
tor of the Military Service Act branch
of the Ministry of Justice and mem-
ber of the Ontario Legislature for
Kenora. Col. Machin went overland
as a colonel in command of the 94th
Battalion, having refused a judge-
ment in order to do so, and his pres-
ent position, which he says he does
not expect to hold, is worth \$8,000
a year.

Col. Machin said: "I have been
sent to Montreal to devise a means
whereby the Militia Department will
be able to handle more recruits than
they have been able to do. At the
present time there are over 11,000
eligible for call in this district; they
have not been called because the
Militia Department has not been able
to take them."
"In the meantime, only those who
have been requested to do so by
the G. O. C. of Montreal and Quebec
districts have been taken. This has
resulted in only 8,000 under the Mil-
itary Service Act being called in the
Province of Quebec. The fact that
Ontario has called 26,000 against
8,000 in Quebec was given out by the
Militia Department last week. Im-
mediately the Government became
concerned and I was plainly told by
Messrs. Sifton and McBurn that un-
less I produced the proper quota
from Quebec I could look for an-
other job. I reminded these gentle-
men that recruits had been called in
the Province of Quebec as fast as the
Militia Department could take care
of them."
