## HON. H. H. WICKWIRE IS MINISTER OF HIGHWAYS

The new portfolio of Minister of Highways has come to Kings Co and Hon. H. H. Wickwire now fills that portfolio. His acceptance of office has created a vacancy in Kings and on Saturday last a most enthusiastic convention of the Liberal party was held in Kentville and he was again nominated for the vacancy. Nomination day is June 26th with election, if a poll is demanded, on July 3rd.

There is no probability of a contest in Kings Co. The Liberal Conservatives of Kings Co. and the Province also as a party are against holding elections in war times. They favored an equal distribution of the seats last federal election without contests but the Liberals forced elections in about all counties even after Union Government was organized. The party holds the same views today, that our energies and resources should be used towards winning the war and even if the Murray government was so partisan and unpatriotic as to bring on the challenge for a contest now, the party still adheres to that idea. Conservatives in Kings Co. accept no responsibilities for the carrying on of the new road act. Time will reveal what are its merits and demerits. already from all parts of the county and province are coming forth condemnations of the bitter partizanship exhibited in the preliminary working of the act. Mr Wickwire as Minister of Highways will have a full opportunity to check this and have the act carried out with fairness to all.

At the adjourned public meeting on Monday the citizens voted to purchase the complete plant, franchise, real and personal property of the Kentville Electric Light Co. at the price of \$33,750.00. Notice of the Company as regards sale will be found in this issue. We think the purchase will be of great future value to the town.

Miss Helen Knowles, returned to Kentville yesterday being called home to Avondale to see her brother Gunner C. W. Knowles who has just returned invalided from Europe. He was badly wounded last November in the leg, but hopes to get full use of it again. He enlisted at Kingston Ont in the Queens Battery.
