A monthly publication of inestimable value to the student of every day scientific problems, the mechanic, the industrial expert, the manufacturer, the inventor—in fact, to every wide-awake person who hopes to better his condition by using his brains. The inventor, especially, will find in The Patent Record a guide, philosopher and friend. Nothing of importance escapes the vigilant eyes of its corps of expert editors. Everything is presented in clean, concise fashion, so that the busiest may take time to read and comprehend. The scientific and industrial progress of the age is accurately mirrored in the columns of The Patent Record, and it is the only publication in the country that prints the official news of the U. S. DELTA.

APRIL 1st.—Farmers are very busy at present sawing wood and as the sugar making season has also set in, each and everyone assumes a very serious countenance.

On Saturday, 16th, the home of Mr. and Mrs. Geo. Morris was the scene of a very pleasant gathering of young people in honor of his son Willie who was married to Miss Keitha Gilroy of Athens.

They are going to live on the farm, one mile east of this village, which was willed to him by his grandfather who died in 1881.

The party given at Mr. and Mrs. Fred Wright on Monday last was attended by about thirty people. All enjoyed themselves immensely and returned home at wee sma' hours. Mr. and Mrs. Fred Wright are going to move to Soperton cheese factory, which has been engaged by them, as soon as the factory opens, under the direction of Strong and Davidson.

Rev. John Pattenham of Kemptville, formerly of here, was a visitor last Thursday. We were pleased to see the familiar face of the minister.

We understand that Delta and Soperton cheese factories will open in full blast next week, and, so far, prospects look bright for the coming season.

A. H. Wilson and family have moved to the Delta factory from Athens. The Delta men are glad to see Almeron again engaged to make cheese the coming year.

Simon Ransom and son have commenced to buy syrup and sugar from the farmers to ship to the grocers in the North. They are good buyers and pay cash.

Warner W. Phelps and wife have moved to the brick house which was purchased from Thos. Hazelton, who is going to build a house addition to his store as soon as possible.

Miss Adeline Stratton of Toledo was the guest of Miss Laura Phelps last week.

The Delta people are pleased to hear that James Huffman, a young farmer, will run the farm owned by Arden Huffman for this coming year.

To the Council of the Village of Athens, 1901

We, the auditors appointed by yourselves to examine the accounts of the Village of Athens, Athens High School, and S. S. No. 6, beg to tender you the detailed statements appended.

We find the books and vouchers of the various treasurers correct.

We note that several errors occurred in making up collector's roll, i. e. property assessed twice. It was also found desirable to rebate some taxes to heavy losers by the fire. You adjusted the matter by ordering the rebates deducted from the total on the roll. We would suggest that the roll be left intact and any rebates made through an order or orders in council.

We would also suggest that the several rates of taxation be included in the information given on the collector's slips.

We note an item of \$11.46 in assets on account of Elgin street drain. This item has been carried since '98. We would suggest that it be collected or, if uncollectable, written off the assets.

We have also examined the bonds of the various treasurers and find them all in order.

Feline Altruism.
I once had a cat which always sat up to the dinner table with me and had his napkin round his neck and his plate and some fish. He used his paw, of course, but he was very particular and behaved with extraordinary decorum. When he had finished his fish, I sometimes gave him a piece of mine. One day he was not to be found when the dinner bell rang, so we began without him. Just as the plates were being put around for the entree puss came rushing up stairs and sprang into his chair, with two mice in his mouth. Before he could be stopped he dropped a mouse on to his own plate and then one on to mine. He divided his dinner with me, as I divided mine with him.—St. James Gazette.

An Important Note.
McJigger—How did you like the new play?
Thingumbob—I thought Miss Sadie Blugore had entirely too much to say.
McJigger—Was she in it? Why, I didn't even know she had gone on the stage.
Thingumbob—She was in one of the boxes with a party the night I was there.

An Imitative Woman.
Mrs. Wigg—That odious widow, the hateful thing, has gone and got a dress made exactly like mine.
Mrs. Wagg—That's nothing. She's trying to marry my husband's twin brother.—Philadelphia Record.

MONTREAL, Dec. 1900.
To the Public:—Your druggist is hereby authorized to refund the purchase price of a twenty-five or fifty cent bottle of Greene's Warranted Syrup of Tar, if it fails to cure your cough or cold.
