MORE INFORMATION ON THE SAN JOSE SCALE

Mr. Geo. Elliott Of California, An Experience Fruit Grower Condemns A. B. McCoig's Idea Of A Wholesale Slaughter Of Kent Fruit Trees

To the Editor of The Planet:

Dear Sir,—I noticed in The Planet of the 24th ult., an editorial about the San Jose Scale. The talk of the wholesale slaughter of the fruit trees would be a hard thing on the growers, and for no purpose, as the scale can be got rid of without such destruction. I am an old Canadian and have been here in this state for 21 years in the fruit raising business, and understand all about the scale. There are a number of sprays that kill the scale. Lime sulphur and salt to be used as per slip; Bordeaux mixture, which will kill San Jose scale. The above is the best. I rather favor Bordeaux mixture, as it is easier to work and just as good. Both must be used while trees are dormant; it is the best time as the buds are about opening.

Hoping you will find it as successful as we have, I remain,
Yours truly,
GEO. ELLIOTT.
Oleander, California, U. S., Nov. 8, 1906.

The following are the mixtures mentioned by Mr. Elliott:

BORDEAUX MIXTURE NO. 1.
Copper sulphate (bluevitrol) ten pounds.
Quicklime (not air-slacked) ten pounds.
Water to make fifty gallons.

Dissolve the copper sulphate in about two gallons of hot water contained in a wooden vessel, by stirring. Pour the sulphate solution into the tank used for spraying, and fill one-third to one-half full of water.

MR. CLEMENTS IS AFTER CUT-OFF FOR THE RIVER

Will Arrange For A Deputation To Interview Hyman And Reaume—Bowyer And Sulman Are Also Earnestly Interested

The question of a cut-off in the River Thames, to relieve the people of this district from loss during the spring freshets, has been the subject of much discussion during the past few years, and from time to time different men have interested themselves in the matter, and several earnest attempts have been made to interest the Government in such a scheme. Up to the present, it seems as if all attempts along this line have been fruitless.

Mr. Clements, the active young member for West Kent, took up this matter with the Government at Ottawa several times since his election, and on the third of this month he made a renewed effort in trying to interest the Government in this important question.

He received the reply that it was a Provincial matter and should be dealt with by the Legislature.

Mr. Clements then interviewed Hon. Dr. Reaume, Minister of Public Works for Ontario, and tried to arrange for a deputation to meet Mr. Reaume and Mr. Hyman here on the 17th of this month. It was his intention to interest the Reeves of the different municipalities, and any others who might be interested in this matter, and have them meet both ministers here at a public meeting. The following letter from Mr. Hyman explains his excuse for not coming to Chatham to inquire into the question:

Office of the Minister of Public Works of Canada.

Ottawa, Nov. 8th, 1906.

Sir,—I have before me your letter of the 3rd instant, with reference to the overflow of the River Thames. It is simply impossible for me to arrange to proceed to Chatham in connection with the meeting of a deputation regarding this matter, in view of the early closing of the session and the numerous duties attendant thereon. I shall, of course, be glad any time during the session to listen to the representations of the people concerned.

Yours truly,
C. S. HYMAN.
H. S. Clements, Esq., M. P., Chatham, Ont.

The Ontario Government is willing to look into this matter and to provide the only solution. Under the circumstances, if Reeve Purser, who deserves credit for his excellent work in urging the necessity for some relief, and some of the other Reeves and citizens, can see their way clear to go to Ottawa during the next session, an audience with Mr. Hyman will be arranged.

In the meantime, Mr. Clements, Mr. Bowyer and Mr. Sulman will continue their efforts in this respect, and will do their utmost to secure a visit to Chatham from both ministers, with a view to getting this urgent work accomplished.

WAS FOUND DEAD

Ridgetown, Nov. 12.—Stephen Johnston, an old and highly respected citizen, who for some time past has lived with his sister, Mrs. A. Wrightman, Broadway, was found dead in his room by the family early this morning. Deceased, who was a prominent Orangeman, had taken part in the annual walks of the Orangemen of Kent for many years back, and was very widely known throughout the west. He had attained the advanced age of 83 years.

The funeral took place at 1:30 p. m., Monday, at Shrewsbury Cemetery, Howard.

NEVER WAS BETTER

The company playing the Opera House this week is the Morris-Thurston Company, and it is the best organization of players that ever appeared in Chatham at double the admission money. Prices charged are only 10, 20 and 30 cents. Good plays are presented every night with specialties, illustrated songs and moving pictures between acts. The play for to-night is The Moonshiner's Daughter, and a packed house is assured.

GROWING OLD BEI ORE YOUR TIME

Broken in spirit, weak in body, nervous and discouraged. Something is wrong, and each day you are falling away. Just one thing to do—build up! To do this, use Ferrozone. What a tonic it is! Appetite, why it makes you eat tremendously. Digest, indeed you will. Rich red blood will carry nourishment to every corner of the body, tired organs take on new life, color, spirit and ambition are restored. Perfect manhood and abounding health is the unfailing product of Ferrozone—try it, 50c. per box everywhere.

Trying to keep young is one of the oldest schemes of the age.

DEATH'S CALL

George Green, an employee of the Wallaceburg Glass Co., aged 20 years, passed away at St. Joseph's Hospital yesterday, after an illness of seven weeks duration. The cause of death was typhoid fever. The deceased was a member of the Wallaceburg K. O. T. M. Camp, and was well and favorably known in the Burg.

He is survived by his parents, Mr. and Mrs. Thomas Green, and the following brothers and sisters: Andrew, of Wallaceburg; Frank, of Ohio; John, of Martins City, W. Va.; William, of N. W. T.; Mrs. Thomas Gunson, of Houghton, Mich.; Mrs. N. Greville, of Greenville, Ont., and Miss Kate, Anna, Belle and Mabel at home.

The funeral will take place to-morrow morning at nine o'clock to St. Joseph's church, and thence to St. Anthony's Cemetery.

CHILDREN'S AID

The regular meeting of the Advisory Board of the Kent Children's Aid Society was held at 4:15 Monday afternoon in the County Clerk's office. There were present Mesdames Sheldon, J. L. Bray, Stephenson, Goodland and Fraser, and Messrs. Peterson, Scamville, Macaulay and Dr. R. V. Bray.

The executive officer reported since October 8, nine visits made, 13 letters written, 10 interviews, 2 cases reported, embracing 7 children, both still under observation. One child had been transferred from its home to another. After explanation, the report was adopted.

Accounts amounting to \$13.13 were ordered paid.

Mrs. Goodland reported the Society's share from the rummage sale \$113.86. This was considered highly satisfactory.

The annual meeting will be held on Dec. 5.

A Lively Time In A Wallaceburg Billiard Hall—Indians Break Up A Pool Game

From Our Own Correspondent.

Wallaceburg, Nov. 14.—There was quite an exciting time on Saturday night in one of the billiard rooms of the town. A number of young fellows were having a game when some Indians came in and wanted to play, and a quarrel was soon started, the Indians striking and knocking down Will Bulley, a glass worker, then he got up and knocked the Indian down and struck him in the face with his cue, cutting him severely. Bulley afterwards became frightened at what he had done and left town.

Mrs. Wm. Clifford entertained the B. Y. P. U. at her home on Tuesday evening. The early part of the evening was spent in playing games, after which an excellent graphophone concert was given by several of the young people. Following this a very dainty lunch was served. A number of the young ladies of the B. Y. P. U. assisted with the serving.

The fire inspector was in town yesterday and the first company were called out for inspection shortly after home a. m.

A quiet wedding took place at the rectory on Wednesday, when George W. Whale, an employee of the Sugar Company, was united in marriage to Miss Mary Richmond, of Somers.

Mrs. Hay entertained the Young Ladies Euchre Club on Monday evening last. Miss Q. Robertson won the bell prize and Miss Maude McDunnist the consolation prize.

MITE SOCIETY

The annual meeting of the Mite Society of Holy Trinity Church was held at the rectory yesterday afternoon, when all the members but two were present. The meeting was opened with reading and prayers by the rector, who was also asked to preside at the election of officers, which are as follows:

President—Mrs. Siegmann.
Vice Pres.—Mrs. Wm. R. Baxter.
Secretary—Mrs. Hedman.
Treasurer—Mrs. Wm. Dill.

The reports of the Secretary and Treasurer showed the society to have raised \$160 last year, which amount was applied on the furnace debt, and has been sufficient to clear off the note in the bank for that object.

It was resolved to assist the wardens in painting the interior of the church, and the money collected will now be used for that purpose.

The Property committee of the City Council have closed the deal for the lease of the unrented butcher's stall in the new market-front with Mr. W. J. Easton, formerly of the meat and poultry firm of Mounter & Easton. The rent paid will be \$250. This is the stall which Mr. Osh Wheeler refused to pay \$250 for.

MY SPECIALTY IS CHILDREN'S FEET

I have given the fitting of children's feet my personal attention ever since I have been in business. The result is I have got the children's trade in the city, and it is growing every day. There isn't a careful mother hereabout who does not come here as soon as she knows that I make a specialty of fitting children. It is true economy, too, for my shoes wear longer, keep their shape better and look nicer than cheap shoes carelessly fitted.
